

Press Release

America's Statements to Curb Iran and its Militias

Deceiving the Masses and Pushing them to Cower away from Change

(Translated)

On October 24, 2017, BBC Arabic website reported US Secretary of State, Rex Tillerson, calling for "Iran-backed militia to leave Iraq" and "to go home", with the fighting against ISIS ending, and that the foreign fighters in Iraq need to go home and allow the Iraqi people to regain control. On the France 24 website, Tillerson's statements came in a different form: "the Iranian militias that are in Iraq need to go home." According to a senior US official, "Tillerson's statements were also addressed to the Iranian Revolutionary Guards and the Quds Force."

The issuance of such statements by the Minister of Foreign Affairs of the world's biggest manufacturer and sponsor of terrorism, while in Saudi Arabia where he supervised the establishment of the Saudi-Iraqi Coordination Council and its signing by Salman and Abadi in Riyadh, highlights the meaning that is intended to be spread in the region, which is the claim that America is seeking to curb Iran's influence in the Middle East ... It is a false claim denied by all the facts. This is because America - that controls Iraq - is the one that allowed both types, the Iranian and the Iraqi, armed factions that are pro-Iran - to participate in fight against ISIS battles, rather, it has provided them with air cover by the so-called International Alliance. And this is exactly what President Trump is doing by brandishing termination of the "nuclear agreement" concluded during Obama's term, as well as by the sanctions that he imposes from time to time on Iranian institutions or personalities...!

Iran is a permanent and a supportive ally of all the America's conspiracies in Muslim countries, and a source of anxiety and discomfort in the region pouring in the coffers of America through the huge arms deals held by the Gulf States to obtain security and military guarantees with America, Russia and others. Thus, the talk about America striking and curbing Iran is purely press propaganda that tickle the dreams of ordinary people, and those who abandon the duty of real change, who prefer to wait for miracles to occur without any effort from them ... But Allah has tireless and active servants who strive with all the strength they can to restore the Islamic way of life under the shade of the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood...

﴿وَيُرِيدُ اللَّهُ أَنْ يُحِقَّ الْحَقَّ بِكَلِمَاتِهِ وَيَقْطَعَ دَابِرَ الْكَافِرِينَ * لِيُحِقَّ الْحَقَّ وَيُبْطِلَ الْبَاطِلَ وَلَوْ كَرِهَ الْمُجْرِمُونَ﴾

“But Allah intended to establish the truth by His words and to eliminate the disbelievers* That He should establish the truth and abolish falsehood, even if the criminals disliked it.” [Al-Anfal: 7-8].
