Hasn't the Time Come for the Distinguished Officers of Jordan to Rise to Liberate Palestine, when seeing a Group of the Mujahideen who have Shaken the Pillars of the Monstrous Jewish Entity?

(Translated)

In a few minutes on the morning of Saturday, October 7, 2023, the pillars of the monstrous Jewish entity were shaken, and its cowardly army fled despite its equipment, supplies and iron domes, in the face of a group of mujahideen who stormed its usurped territories by land, sea, and air, with modest equipment, relying on Allah and confident in His Nasir (victory). Their triumphs echoed with the cries of "Allahu Akbar, Allahu Akbar" that terrified the Jewish enemies of Allah and even terrified those behind them, including the weak colonialists and normalizers.

O Noble Islamic Ummah, perhaps you may realize that today more than ever that no matter how long the conspiracies of normalization continue, and no matter how your rulers recognize the cowardly Jewish entity, protecting it with security and military power along the fronts for decades, and equipping it with the latest military equipment from the kuffar enemies of the Muslims, it is nothing more than an illusion and a mirage exposed by the heroism of the martyrdom and jihad operations carried out by your sons from the people of Palestine throughout the years of occupation. And the conspiracy from the international regime is a supporter of the Jews, to whom the harmful rulers seek help and complain about their affairs to it. They will not dissuade the Islamic Ummah, which awaits the day when it triumphs over an entity trembling in the face of the chants of Allahu Akbar.

O Jordanian Army, O heroes of the Karamah, O sons of Khalid, Shurahbil, and Abu Ubaidah (may Allah be pleased with them), we know that blood boils in your veins with a longing for jihad for the sake of Allah, and you are prepared to pounce like lions in support of the mujahideen in Palestine, who have proven their readiness to join you in a short-lived battle for the liberation of Al-Aqsa and all of Palestine. History will record your victory just as it has for Salah al-Din. Will you stand with your Ummah to earn the pleasure of Allah, or will you bow onto the ground to appease your rulers and incur the wrath of Allah?!

O Fearless Armies, O Nashamah, Distinguished Officers: Make these titles a deserving honor for you before Allah, His Messenger, the Islamic Ummah, and your children by supporting your people in Palestine. It is either a decisive victory or martyrdom for the sake of Allah. Crush this cowardly entity and those standing behind it, end this conspiratorial play, deceit, and betrayal that have lasted for decades, and work with those striving to establish the Khilafah (Caliphate) to implement the Sharia of Allah. It will be established soon, Allah willing, and it will prevail over all its enemies as it is the promise of Allah and the glad tidings of His Messenger (saw).
