A Year has Passed, and the Brutal Genocide in Gaza is Intensifying and Spreading.

Is it Not Time for the Ummah to Remove its Cowardly Rulers Who Have Failed to Support it!?

(Translated)

Despite the continuous massacres that Palestine, and specifically Gaza, is enduring daily, escalating to the point of death by fire and starvation, with relentless bombing on displaced persons' gatherings, as is happening today in northern Gaza, and more than a year after the brutality of the heavily armed Jewish forces, aided by the colonialist Western countries, the rulers of disgrace and treason who surround Palestine and Gaza, within arm's reach, continue to do nothing. Even as the Ummah, including the people of Jordan, witnesses all of this, the Jordanian regime still turns a deaf ear to the cries of women, children, and elderly, and the tears of helpless men who cry out for help. Instead, it continues to play along with international systems and so-called international legitimacy, which are led by America, the foremost enemy of Islam and Muslims, who uses the Jewish entity as a tool to brutalize Muslims and their lands, following in the footsteps of Britain, the mother of treachery and deceit, and the creator of the Jewish entity, the historical enemy of Islam and Muslims.

The Jews are the fiercest enemies of Islam and Muslims, always striving to harm them. Allah (swt) says: ﴿لَتَجِدَنَّ أَشَدَّ النَّاسِ عَدَاوَةً لِّلَّذِينَ آمَنُوا الْيَهُودَ وَالَّذِينَ أَشْرَكُوا﴾ **“You will surely find the most intense of the people in animosity toward the believers [to be] the Jews and those who associate others with Allah”** [Surat Al-Ma'ida:82].

This vile entity is not merely a security, military, or political issue. Allah (swt) says: ﴿لَن يَضُرُّوكُمْ إِلَّا أَذًى وَإِنْ يُقَاتِلُوكُمْ يُؤْلَوْكُمُ الْأَدْبَارَ ثُمَّ لَا يَنْصُرُونَ﴾ **“They will not harm you except for [some] annoyance. And if they fight you, they will show you their backs; then they will not be aided.”** [Surat Aal-i-Imran:111].

It is possible to eradicate it and remove it from the face of the earth once and for all, with the strength of the Jordanian army alone. This is not fantasy or theory; those who doubt it need only look at Gaza, the pride, which stood firm against the Jews, whose image was shattered before the world, revealing their true nature.

It is now certain to anyone with eyes that Arab rulers, especially those neighboring Palestine, are working with the enemies of the Ummah to preserve the Jewish entity. They even participate in its war against their fellow Muslims. The ultimate ambition of

these rulers is a fictitious Palestinian state under the control of the Jews. For more than a year, they have been frantically appealing in international forums to reduce the escalation, fearing the expansion of the war that could lead to the downfall of their regimes.

The issue of Palestine is, at its core, an Islamic issue, and eliminating the Jewish entity and wiping it from existence has been a duty upon Muslims since its inception. After a year of killing, destruction, and displacement, this duty has become even more urgent.

O Soldiers in the Muslim Armies and in the Jordanian Army: The heroism shown by the martyr, Allah willing, Maher Al-Jazi, who acted alone, has immortalized his name in the history of noble heroes, both in this world and the hereafter, by the will of Allah. His actions have instilled pride in the people of Jordan and the entire Muslim Ummah. Will you not compete in such heroism and hasten to fulfill the obligation of your Lord by fighting your enemy? Will you not shake off the weakness and obedience to your rulers who lead you to ruin, ensuring that you are not dragged into the records of shame and disgrace along with them?

O People of Jordan, O Muslims: The ones preventing your army from defending your lands, preserving your wealth, and liberating your occupied territories, and who fill the country with American and European bases to protect the Jewish entity, are your rulers. The war on Gaza has exposed their loyalty to the disbelievers (kuffar) and their role in enabling the monstrous Jewish entity by defending it against rocket attacks. These rulers are the obstacle that must be removed to enable your armies to support the Muslims in Palestine. Do not tire of demanding the mobilization of your armies so that you may lead the way in eradicating the Jewish entity and the colonial powers that support it.

﴿قَاتِلُوهُمْ يُعَذِّبُهُمُ اللَّهُ بِأَيْدِيكُمْ وَيُخْزِهِمْ وَيَنْصَرِّكُمْ عَلَيْهِمْ وَيَسْفِ صُدُورَ قَوْمٍ مُّؤْمِنِينَ﴾

“Fight them; Allah will punish them by your hands and will disgrace them and give you victory over them and satisfy the breasts of a believing people
