The Jordanian Regime's Repressive Apparatus Arrests Sheikh Saeed Radwan from Hizb ut Tahrir

(Translated)

At a time when the people of Jordan from north to south and from all walks of life, are rising in anger and support for Gaza, which is being annihilated, its people falling victim to the brutal starvation imposed by the criminal Jewish entity with disgraceful collusion from the Jordanian regime, and while this regime's repressive apparatus stands in opposition to these uprisings through savage repression and arrests of the sons and honorable figures of the Ummah...

These repressive forces have arrested the Da'wah carrier, Sheikh Saeed Radwan (Abu lmad), a man of thought and politics from among the Shabab of Hizb ut Tahrir, from his home despite his old age, only because he upheld the commands of Allah and remained steadfast upon them, proclaiming the truth and fearing no blame for the sake of Allah, and calling for the support of the people of Gaza in their severe calamity and in the face of the failure of the people of the earth to support them.

What disgrace and what shame! Do you not fear the wrath of Allah, you who obstruct His path and defend the falsehood of your rulers, the guardians of the entity of the accursed, silencing mouths that speak the truth against the enemies of the Ummah and Islam?! So fear Allah and be conscious of Him, for indeed, the victory of Allah is coming by His permission, and the Jewish entity will inevitably vanish, and the glad tidings of His Messenger (swt) regarding the return of the Khilafah Rashidah (rightly guided Caliphate) will be fulfilled. So save yourselves, cease your repression, join your Ummah, and take a dignified stand that pleases Allah, His Messenger, and the believers.

Hizb ut Tahrir has devoted itself to working for the resumption of Islamic way of life and the implementation of Allah's law through the establishment of the Khilafah Rashidah on the method of the Prophethood. Know that your arrests will only increase its determination and resolve to work toward the fulfillment of Allah's promise. Hizb ut Tahrir will remain the trustworthy guide that does not betray its people.

﴿وَاتَّقُوا يَوْمًا لَا تَجْزِي نَفْسٌ عَنْ نَفْسٍ شَيْئًا وَلَا يُقْبَلُ مِنْهَا شَفَاعَةٌ وَلَا يُؤْخَذُ مِنْهَا عَدْلٌ وَلَا هُمْ يُنصَرُونَ﴾

“And fear a Day when no soul will suffice for another soul at all, nor will intercession be accepted from it, nor will compensation be taken from it, nor will they be aided. [Surat Al-Baqara: 48]
