The Operation of the Martyred Hero Abdul Muttalib Al-Qaisi Confirms the Ummah's Determination to Fight the Jews until They Are Eradicated, Despite the Failure of Arab Rulers

(Translated)

Despite the security and military protection provided by the Jordanian regime to the Jewish entity, the heroic martyr Abdul Muttalib al-Qaisi, a Jordanian citizen, was able to storm the border with the Jewish entity through the Karameh crossing on Thursday, September 18, 2025. He advanced, not retreated, and fought bravely, killing two enemy soldiers before ascending as a martyr for the sake of Allah. We consider him as such, and we do not praise him above Allah. However, we must pause to reflect on this heroism, courage, and determination, which coincides with the first anniversary of the heroic operation of the martyr Maher al-Jazi, in which three enemy soldiers were killed.

- Such operations express the Ummah's overwhelming anger at the ongoing criminal genocide and crushing of Gaza to the ground. The blood is boiling in its veins as it prepares to respond to its Lord's command to support its brothers and sisters in Gaza and Palestine, as Allah Almighty says: ﴿وَإِنِ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ **“But if they seek your help ‘against persecution’ in faith, it is your obligation to help them”** [Al-Anfal 8:18], it sees no solution except by fighting the Jews and expelling them from the occupied territories.

- Although the Ummah will never be without heroes like the Companions, may Allah be pleased with them, there is no excuse for the powerful and the armies surrounding the Jewish entity to take the initiative and dispatch their forces to end the rampage of this deformed and cowardly entity and eliminate it in a matter of hours. The time has come for the heroics of Maher Al-Jazi, Hussam, Amer, and finally Abdul Muttalib to stir within you the chivalry of real men.

- The persistence of the Jewish entity and its soldiers in their brutal war and the genocide of people and extermination of stones is nothing but digging their own graves. America will not protect them with its equipment, nor the support of its thugs and arrogance in Muslim lands. This would not have happened without the betrayal of the Arab rulers around them, who know that their people will soon turn against them, irrevocably. They are the ones preventing the Ummah from burying them, and the Muslims will fight them, as the Prophet (saw) mentioned.

- It has been proven to the Ummah that its rulers are worth nothing to the Jews and America, despite their obsequiousness, obedience, and continued subservience. The claim of one of them at the shameful Doha Conference that "they want actions, not words" is nothing but a lie, a forgery, and a farce. Here is Al-Qaisi demonstrating actions - and what actions, the language of which the Jews understand only. Otherwise, why would his country's Foreign Ministry condemn such heroic acts, which the people of Jordan have blessed?! Because they expose Jordan's role in providing aid to the people of Gaza to harm, as the Jordanian Foreign Ministry's statement about the operation claims?! What a claim worse than your sins!

Finally, O people of Jordan, and O Muslims:

Gaza and its people are being annihilated and crushed by those who have been humiliated and by America, which is fighting with all its might alongside them. Treasonous, surrender-based solutions such as the two-state solution, acquiescence to the demands of the international system, and the Palestinian state that European countries intend to recognize are nothing but a mirage and a deception. You have seen what America is doing to its allies and those who normalize relations with the Jewish entity. You have witnessed their continuous, humiliating obsequiousness and appeasement of the leaders of America, the Jews, Europe, and the United Nations, seeking to ensure their continued rule to achieve their interests, while the interests and wealth of the Ummah are plundered and its men are being exterminated.

Isn't it time for the chivalry, zeal, pride, and dignity of men to awaken in the minds and hearts of the Ummah's loyalists and its armies? Will you not save your Ummah and country and rescue your brothers from the brutality of cowards and the servility of leaders?

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا قَاتِلُوا الَّذِينَ يَلُونَكُمْ مِنَ الْكُفَّارِ وَلْيَجِدُوا فِيكُمْ غِلْظَةً وَاعْلَمُوا أَنَّ اللَّهَ مَعَ الْمُتَّقِينَ﴾

“O believers! Fight the disbelievers around you and let them find firmness in you. And know that Allah is with those mindful of Him.” [At-Tawbah 9:123]
