

Press Statement and Eid al-Fitr Greeting

(Translated)

May Allah accept your acts of obedience, bless you in your Eid, restore to you your Khilafah (Caliphate), and grant you victory over your enemies.

Allahu Akbar, Allahu Akbar, Allahu Akbar, La Ilaha Ila Allah, Allahu Akbar, Allahu Akbar, Wa Lillahi Alhamd

It pleases us in the Media Office of Hizb ut Tahrir in the Wilayah of Jordan to extend to our people in Jordan in particular, and to the Islamic Ummah in general, our warmest congratulations on the occasion of the blessed Eid al-Fitr. We ask Allah to accept your acts of obedience and to make you among those freed in this blessed month.

We also extend on this occasion to the eminent scholar Ata bin Khalil Abu al-Rashtah, the Ameer of Hizb ut Tahrir, and to Shabab Al-Hizb around the world, our highest expressions of congratulations and blessings, and that He accepts their deeds in establishing the Khilafah State on the method of Prophethood, purely for His Noble Face, in these days in which the Ummah has become most in need of it.

This Eid comes at a time when America and its protégé, the Jewish entity, are waging a fierce war on a Muslim country, committing atrocities, destruction, and killing, launching from its bases spread across the lands of the Muslims which protect the Jewish entity and repel from it. And before it, Gaza; and the doors of Al-Aqsa Mosque are closed in the days of Ramadan, so no prayer is established in it, nor remembrance of Allah, nor revival of Laylat al-Qadr, and you find from the petty rulers nothing but condemnation and denunciation, timidly before the Jews!

Thus, the people of disbelief from Christians, Jews, and Hindus are killing the Muslims in one united front in all parts of the world, assisted in that by all the rulers of the Muslims without exception. And nothing enabled them to do so except the absence of the Khilafah State and the absence of its Imam, the shield who protects the sanctity of the Muslims, fights from behind him, and by whom they are protected.

O Muslims: Indeed, your honor lies in the return of your State. And indeed, Hizb ut Tahrir, the pioneer who does not lie to its people, has dedicated itself to sincere, serious work, by the permission of Allah, to establish it as a Khilafah Rashidah (rightly guided Caliphate) upon the method of the Prophethood. It has sacrificed, and continues to sacrifice, the precious and the valuable in that path. And here are our Shabab in the prisons of the oppressors; Ramadan has passed over them and Eid al-Fitr has come upon them while they are far from their families and loved ones. The latest of them is the brother, Awad Hdeib, who was arrested by the security apparatus of the regime more than a week ago when he left the mosque after performing the Fajr prayer, and his family did not know his location except after long and diligent effort. Rather, those agencies did not even accept allowing medicine to be brought to him. And all of this is for nothing except his call to establish the Khilafah, which will save the Ummah, restore its honor, strengthen its power, and make its enemies think a thousand times before attacking it. And just as the Khilafah crushed the arrogance of the Caesars and the Khosrows, so too it will crush the arrogance of their followers such as the tyrant Trump and others like him from the disbelieving colonizers.

We ask Allah, Glorified and Exalted, to make this Eid a beginning of goodness, blessing, and honor for Islam and the Muslims, and that our next Eid be an Eid of honor, relief, victory, and empowerment for the entire Islamic Ummah. May Allah accept from us and from you the acts of obedience. Every year you are in goodness.

﴿وَاللَّهُ غَالِبٌ عَلَىٰ أَمْرِهِ وَلَٰكِنَّ أَكْثَرَ النَّاسِ لَا يَعْلَمُونَ﴾
