**“And who are more unjust than those who prevent the name of Allah from being mentioned in His Mosques” [Al-Baqarah:114]**

(Translated)

A part of the campaign “And who are more unjust than those who prevent the name of Allah from being mentioned in His Mosques”, Hizb ut Tahrir Wilayah Jordan distributed and posted thousands of posters which call and urges to the remembrance of the role of the mosques, which the regime in Jordan is trying to abolish by way of the Ministry of Awqaf by way of issuance of instructions to execute the politics of the Kafir West and their desire to abolish the role of the mosques for the Muslims.

Many delegations from Hizb ut Tahrir in Jordan visited hundreds of masjid imams to urge and support them in not succumbing to the instructions of the Ministry of Awqaf. And to be voices for the Haqq (Truth) and not to be tools to dilute Islam and the affairs of the Ummah and to wipe them out from the minds of the Muslims and their sentiments. Also, the delegations paid visits to numerous directors from various directorates of the Awqaf to hold them accountable for their executive role in abolishing the role of the mosque and their attempts to corrupt the integrity of the mosque committees so they can spy on the worshippers and prevent the sincere Dawah carriers from giving lectures and khutbas that address the vital issues of the Ummah and illustrate to the Ummah the way of salvation from the miserable existence and the state of oppression and humiliation which the Kafir colonialist wanted for the Islamic Ummah, and to forbid the carriers of truth and those who call for it and push and urge the Ummah to work for the resumption of the Islamic way of life through the establishment of the righteous second Khilafah on the method of the Prophethood.

The Almighty says:

﴿وَقُلْ اَعْمَلُوا فَسَيَرَى اللَّهُ عَمَلَكُمْ وَرَسُولُهُ وَالْمُؤْمِنُونَ﴾

**“And say, ‘Do [as you will], for Allah will see your deeds, and [so, will] His Messenger and the believers.’” [Al-Tawba: 105]**
