Invitation to Participate in Rally:
“The Light of Allah Will Never Be Extinguished”
(Translated)

Upon the 95th anniversary of the calamity of the destruction of the Khilafah State, the guard of the Deen and protector of its people, and in light of the targeting of the forces of Kufr and tyranny of Islam as an Aqeedah and Ahkaam (rulings), the attack against it, attempts to distort and deviate its concepts and make the Muslims have doubt in it, with the cooperation of their lackeys from amongst the secularists of our land, and in light of the determination of the states of disbelief, oppression and darkness upon spilling the inviolable blood of the Muslim and destroy the Muslim lands, and in light of the cowardly, base and hysterical attack against the Muslims in Aleppo and Syria at large, and the collaboration of the international community, its organisations and bodies over the massacre of the Muslims within them, to extinguish the flame of light and blessed revolution there. In light of this, Hizb ut Tahrir in Wilayah of Jordan is organising a rally titled “The light of Allah will never be extinguished” at 5pm on Saturday 7/5/2016. It will take place in the open area opposite to the Works Departments in Tabrabour in support of the cause of Allah, His Deen, the Ummah of Islam, and in support of the pure blood that flows in the land of Aleppo and the lands of Ash-Shaam as a whole. It is part of the campaign “The light of Allah will never be extinguished” launched by Hizb ut Tahrir in Wilayah Jordan, to stand against the war against Islam, its Aqeedah and Ahkaam which is being led by the disbelieving West in an attempt to exchange the Sibghah (Deen) of Allah and its light with that of Shaytaan and its deviancy. And it is to expose the tools utilised in this war including the politicians, academics and media personalities who have chosen to be in the ranks of the enemies of Islam and its Ummah.

We therefore invite you O Muslims upon the land of Al-Hashd and Ar-Ribaah, and we hope that you will join us in this rally of resilience, to declare explicitly, frankly and clearly in an unambiguous manner that we represent the ranks of Islam and its Ummah. We are its supporters and its guardians and that this land which was irrigated with the blood of the Sahaabah and martyrs and was a gateway for the Islamic conquests of the lands of Ash-Shaam, will never be a gateway and avenue for the distortion of Islam and its deviation. It will never be a fertile ground and launch pad for those who attack it. Rather it will be, by the permission of Allah *Ta’Aala* a fortress to block the attack against Islam, its rulings and thoughts in spite of the secularists’ wishes and those who are behind them including the rulers and the states who harbour hatred against Islam and the Muslims.

﴿إِنَّ الَّذِينَ كَفَرُوا يُنْفِقُونَ أَمْوَالَهُمْ لِيَصُدُّوا عَنْ سَبِيلِ اللَّهِ فَسَيُنفِقُونَهَا ثُمَّ تَكُونُ عَلَيْهِمْ حَسْرَةً ثُمَّ يُغْلَبُونَ وَالَّذِينَ كَفَرُوا إِلَىٰ جَهَنَّمَ يُحْشَرُونَ﴾

“Indeed, those who disbelieve spend their wealth to avert [people] from the way of Allah. So they will spend it; then it will be for them a [source of] regret; then they will be overcome. And those who have disbelieved - unto Hell they will be gathered” [Al-Anfaal: 36].
