**The Security Apparatus of the Repressive Regime and Intelligence Storm
the Houses of the Head and Member of the Media Office of Hizb ut Tahrir in
Jordan and Arrest them in the Darkness of the Night**

(Translated)

The criminal security apparatus of the regime in Jordan continue its crack down on the members of Hizb ut Tahrir. They stormed the house of the head of the Media Office of Hizb ut Tahrir in Jordan, Brother Mamdouh Abu Sawa Qatishat, broke the house door, terrorized his family and arrested him around 3:00 am of today's Fajr. At the same time they also stormed the house of the member of the Media Office, Brother Muhammad Zalloum, and arrested him too, having lost all sense of honour and courtesy, in a move that even the idolaters of the Arabs and the head of Kufr Abu Jahl would not have taken, for fear of the blame of the Arabs had he terrorized the daughters of Muhammad (saw).

While the regime continues its submission to America; the enemy of Islam and Muslims, and follow them in their surrendering solutions, and surrender for the recipes of the International Monetary Fund, which impoverished the people and the country and made them succumb in humiliation, which is rejected by the Ummah completely. The Ummah holds the regime fully responsible. The Media Office published a Press Release regarding this issue pointing out the responsibility of the regime for the deteriorating economic and political situation, as well as complying with the so-called international law with regards to the liberation of Palestine and Al-Quds (Jerusalem), and it demanded that Muslims in Jordan must not enable America to control the people and wealth of the Ummah.

We hold the Security Apparatus and the Intelligence services, and the regime in Jordan responsible for the safety and health of the Head and member of the Media Office of Hizb ut Tahrir in Jordan and all Hizb ut Tahrir detainees, whether in the intelligence, prisons or detention centers. We reassert, and the regime and its organs are fully aware of this, that these random measures did not and will not deter the members of Hizb ut Tahrir from sacrificing all that is precious and valuable and it will continue to carry the call for Islam through the intellectual and political struggle as it does, and to work for the Ummah's project that will bring back its revival and glory, i.e. the establishment of the Khilafah State (Caliphate) on the method of Prophethood. The party will not stop adopting the interests of the people and showing the Islamic ruling on them and exposing the regime's conspiracy with the enemies of the Ummah, the Jews and the Kaffir colonizing West, and calls on the Ummah to work with it politically to remove the regime and its Apparatus and work to implement the Islamic Shariah law, and establishment of the Islamic state, and to stand by the sincere workers for it.
