The Participation of America, the Enemy of Islam and Muslims, in the Eager Lion Exercises is Empowering America and Directly Threatening the Security of the Country and its People in Jordan and the Region

(Translated)

The eighth annual joint Jordanian-American military training session "Exercise Eager Lion" was concluded in Jordan on Thursday. The first of these annual training was held in Jordan on the 14th of April 2011, in which more than 7,000 soldiers participated, including four thousand of the various American military forces.

"It is a very unique opportunity," Col. Farrell J. Sullivan, the Commanding Officer of the 26th Marine Expeditionary Unit, told Business Insider. "It's not every day that you get to integrate with a partner force to this extent." At the Special Operations Training Center Which Sullivan described, "It is a world class facility, no doubt...which is carved out of a mountain and has everything the most elite soldiers in the world need".

The continuation of the regime in Jordan to take America as a friendly and ally country, and deal with it on this basis, is what the Ummah and the people of Jordan are innocent from; the people of Jordan expressed their opinion on America as a hostile and arrogant enemy and killer of Muslims in the world. This is confirmed by their research centres. In an opinion poll conducted by the Pew Research Centre for Global Strategic Studies published in June 2017, it showed that the Jordanians came in the forefront of the countries of the world, which hold resentment and are negative towards America by 82%, and they do not want any cooperation with them. But the regime disregards the will of the Ummah, it is America's loyal friend and considers the alliance with it a supreme strategy, and it harnesses the country for American and Western bases in their war against Islam, and it puts the security of the country under the control of the colonial powers that crave and compete for the Ummah's wealth and its revival projects.

Befriending America, the enemy of Islam and Muslims, and conducting joint military exercises over the past eight years, the last of which was the exercise in its eighth edition, which ended yesterday, was characterized by simulation of dealing with radioactive materials, weapons of mass destruction and biological and chemical agents, as well as training on measures rioting and night-time target training in geographical conditions of mountains, deserts and mountain passes provided by the Special Operations Training Centre, demonstrate that America, the actual and continuing enemy of Jordan and the Islamic Ummah, aims with these exercises to step up the efficiency and readiness of its forces; revealing the strengths and weaknesses of our armed forces. In addition to ensuring that US and Jordanian forces can work collectively and operate in an environment of alliance sought by the regime, that is exposing the security of the

country and its people to the direct threat, and harness its forces to implement America's and the West's ambitions, which has become clear to all with a vision and insight.

O Muslims:

It does not take much effort to know the ambitions of the Western Kafir colonialist headed by America, and its fight against Islam and Muslims in various parts of the world. And now it has harnessed the powers of the world in Ash-Sham to maintain its agent regime of Ash-Sham's tyrant, and it is doing so with the help of its puppet rulers, to plunder your great wealth and attempt to abort your great project to establish the Khilafah state on the method of Prophethood. How do you wish to continue such military exercises over the years, and have an alliance with the forces with ambitions in your country and at the expense of your Muslims sons?!

O Muslims:

The repressive campaigns carried out by the security services of the regime in all its branches and formations, as well as the tyrannical injustice of the administrative rulers, which is being waged against members of Hizb ut Tahrir in Jordan and all Muslim countries, is only because the party is carrying out what is required by Shariah and obligations to resume the Islamic way of life, and exposes the plots of your rulers the traitors with your enemies to attack your belief, your Deen, your wealth, your soul and the lives of your Muslim sons and brothers. And for the party it is only a call for more sacrifices and steadfastness on the approach and method of Islam, and increased determination, resolve and will, to establish the Khilafah Rashida state (Caliphate), in the face of this injustice and aggression and repression practiced by these devices, backed by the ruling regimes to enable the enemies and directly threat you due to the existence of their forces on your land.

O Muslims:

Hizb ut Tahrir cannot but respond to Allah, the Lord of the Worlds, and to adhere to this Deen, and have steadfastness on the vital project of the Ummah, and it will not be tired of calling you and mobilise you and revive your energy to stand with it in a position that satisfies Allah and His Messenger and the believers, so that you prevent this empowerment of the colonizing enemies of the Ummah headed by America, Jews, and their followers from the traitor rulers, so respond to the call of good and dignity and glory, by working with Hizb ut Tahrir to achieve your project of the establishment of the Khilafah Rashida (rightly guided Caliphate) on the method of Prophethood.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾

“O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered.” [Al-Anfal: 24]
