Hizb ut Tahrir / Kenya Successfully Concluded its Campaign under the theme – Every One of Us is a Shepherd

With the grace of Allah (swt), Hizb ut Tahrir / Kenya concluded its campaign which kicked off on 25th August 2020 and ended 31st December 2020; the campaign addressed the root cause of rampant sexual acts as well as teenage pregnancies among the school children in Kenya during the closure of schools due to Covid-19 pandemic.

During the campaign, Hizb ut Tahrir was able to organize public talks in Mosques, street walks and live debates meant to expose the ills of Capitalism and its flawed creed of secularism and how it has attributed not only to a social crisis but all crises in every aspect of life. The Islamic Ummah in general was reminded of its prime responsibility of protect the children from filth and decadence of the Western cultural as well as its invasion by ensuring that they establish the Islamic Identity in their children.

The campaign hashtags were:

#Covid-19_Debunks_Capitalism

#Covid-19_Secularism_Detaches_Religion

#Covid-19_Public_Crises_capitalized_by_the_Capitalists

We pray to Allah (swt) to accept our deeds and grant us the Khilafah (Caliphate) on the method of the Prophethood that will protect the young generation and the Ummah at large from the claws of corrupt system of Capitalism.
