(Translated)

A delegation from Hizb ut Tahrir / Wilayah Lebanon visited Lawyer Mohammad Sablough in his office in Tripoli, Ash-Sham. This is to support his pursuit to expose and reveal torture crimes in Lebanon.

The delegation, which consisted of Sheikh Ahmad Al-Shamali and Hajj Mohammad Al-Sayyed, listened to Ustadh Sablough about the true motives that led the head of the military court to issue a decision to prevent him from entering the court for three months.

Ustadh Sablough spoke about his tireless efforts in exposing the methods of torture and unjust sentences against detainees, Islamists and other oppressed people, in addition to the role of the security services in fabricating files.

In turn, the delegation expressed its full solidarity with Ustadh Sablough for his efforts, and appreciated his commended courage in speaking the truth and exposing the methods of the people of falsehood. The delegation reminded him that the word of truth is the best Jihad (struggle) in the way of Allah (swt), as the Messenger of Allah (saw) mentioned.

In turn, Ustadh Sablough thanked the delegation for this visit. He promised them to continue his contact with the members of Hizb ut Tahrir.
