He Who Seeks Refuge in the United Nations and the International System is like He Who Seeks Refuge from the Frying Pan into the Fire!

(Translated)

While the Jewish entity attacks the Gaza Strip, the West Bank and Lebanon without any response, except from individuals or groups, with capabilities that do not represent one-tenth of what the greatest criminals of the international system provided to the Jewish entity; Lebanese Prime Minister Najib Mikati today appeals to the UN Security Council to pressure the Jewish entity to stop the aggression against Lebanon, and thanks France and America for their initiative to cease fire, and his Foreign Minister Abdallah Bou Habib preceded him by declaring that America is the key to our salvation and that hope is pinned on it.

Are these officials ignoring or forgetting the truth of the United Nations and its actions that are hostile to Muslims and biased towards the Jewish entity?! Or perhaps they have forgotten that the basic decisions in the establishment of this entity were the result of it, and the result of these countries that they thank and pin their hopes on! Didn't this entity bomb Gaza, Syria and Lebanon with the weapons of America, France and Britain?! Didn't these major countries obstruct the resolutions issued by the UN Security Council that condemn the Jewish entity?! So how can we appeal to those major criminal countries that created and sponsor this entity to stand against it?! Can grapes be picked from thorns?! And does a wise person resort to his opponent?! What is wrong with you? How do you judge?! Or do you have a book on subservience and dependence on the West that you study?!

O Muslims: The short and useful statement about your salvation from the aggression of the Jews lies in mobilizing your armies to eradicate it, as for appealing to the major countries, the United Nations and the international system, it is throwing dust in your eyes, and deluding you that all that your rulers have is to plead at the doorsteps of these criminals. If this indicates anything, it indicates the collusion of your rulers without exception with the Jews against you, in a direct and blatant manner like the Emirates, Egypt and Jordan, or in an indirect and blatant manner like Saudi Arabia, Iran and Turkey.

Everyone abandoned Gaza and left it to be destroyed, and so did Lebanon, and they were content to run after American or French initiatives, the main goal of which is to establish this entity, and try to make its existence normal, while they tied up the

armies in their barracks and left the weapons covered with the rust of cowardice and submission. As for Iran, which claims to resist the Jews, and which does not stop establishing its orbit in America's orbit, while Gaza is being destroyed and Lebanon is being destroyed, its leaders declare that they are brothers to America, and that they do not want war, and they call on the major countries to negotiate on the Iranian nuclear issue, and they are the ones who threatened and vowed for years and years to remove the Jewish entity from the map if it attacks Lebanon or Iran!

O Muslims: The Jewish entity is a product of colonialism, its supporters are the major countries, and its protectors are your tyrannical rulers. What happened on October 7, 2023 revealed the true fragility of this monstrous entity. Its aggression now on Gaza and Lebanon, with the support of the kufr (infidel) colonialist Western countries and the Arab countries' tails, is only to restore its false prestige and show it as the owner of the invincible power, although it is weaker than a spider's web, and this has become clear to the fighters loyal to their Deen and Ummah.

O Muslims: If the Khilafah (Caliphate) state that obeys the command of its Lord were established among you, it would declare jihad against this entity and its supporters, and would mobilize armies and prepare the means to eliminate it. For Allah Almighty promised you victory over the Jews, and the Hour will not come until you fight them and kill them, and perhaps the events of the Al-Aqsa Flood will be its beginning. So, stand firm, unite, and unify your affairs, and mobilize the armies and regain their leadership, and overthrow the tyrants who protect the Jews and the lackeys of the West until Allah's promise is fulfilled at your hands, and be certain that Allah is with you, and do not forget His promise.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَتَصَرُّوا اللَّهُ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ * وَالَّذِينَ كَفَرُوا فَتَعْسًا لَهُمْ وَأَضَلَّ أَعْمَالَهُمْ﴾

“O believers! If you stand up for Allah, He will help you and make your steps firm. As for the disbelievers, may they be doomed and may He render their deeds void.” [Muhammad 47:7-8]
