Lebanon's President Calls for Quick Approval of Trump's Gaza Plan!

(Translated)

O People of Lebanon, O People of Palestine, O Ummah of Islam: Lebanon's president called for swift approval of the Trump plan to stop the war in Gaza, knowing that it is a plan to achieve the interests of the Jewish entity, which it has been unable to impose by force of arms, such as the surrender of the mujahideen, the release of Jewish prisoners, and other objectives. To achieve these objectives for the criminal entity through Trump's cunning.

It has become clear that Trump, the primary supporter of the Jewish entity in its heinous crimes in Gaza and all of Palestine, is offering a solution to the loss of Gaza. He is even imposing it on a group of rulers in Muslim countries, and is assisting these rulers, most of whom have rushed to support and back it as if the blood of tens of thousands of martyrs, hundreds of thousands of wounded and displaced, and the destruction of Gaza, its cities and villages—homes, hospitals, schools, and even mosques—are worth nothing compared to the dictates of the White House. It is as if the one behind the murderous criminal has become the ruler!

The call to quickly accept this malicious plan, in which Jews participated in every aspect, expresses nothing but humiliating submission to the American colonial system and a renewed engagement in the path of political normalization that is intended to be imposed on the Ummah, just as was previously intended through the treacherous agreements of Camp David, Oslo, and Wadi Araba.

Trump's decision to halt the war is not a mercy for the people of Gaza. Rather, it reinforces the Jewish entity and allows the killing machine to catch its breath after being trampled to the ground by the mujahideen's missiles. It demonstrates the fragility of the occupation army, which has been unable to break the will of the heroic people of Gaza, revive the cause of Palestine as a living Islamic cause, and bring it closer to being purged of the filth of the Jews.

O People of Lebanon: As if the authorities of Lebanon have not learned from the deceit, treachery, betrayal, and defiance of the Jewish entity, its violation of all agreements, and its continued bombing and killing of the Lebanese people, how can its president promote this sinful plan when he knows that the Jews will not implement it, including halting their war against Muslims, and that Trump will not impose any decision on them?!

It is certain that the rulers of this country act only in accordance with the orders of Western embassies, and they do not respect the blood of their people or the sanctity of your holy sites. Like all Muslim rulers, they side with their enemies at the expense of their country and people. Haven't you seen how some of them colluded in the siege of Gaza, and today they rush to approve Trump's orders? This is truly astonishing and appalling! Even more astonishing is the inability of the Muslim peoples to overthrow their thrones and cast them into a deep abyss.

O Muslims: What will stop the war of the Jews is your armies, if they mobilize to support their religion, liberate the land, and protect their honor, not Security Council resolutions, nor the initiatives of Trump, his followers, and the rest of the criminals.

The duty today is to remove these client regimes, break the borders drawn by the infidel, colonialist West between Muslim lands, and urgently demand the mobilization of armies toward the liberation of all of Palestine. Neither patching up the occupation with partial solutions nor reaching a settlement at the expense of the blood of martyrs on the table of the enemies of Allah.

O Muslims: The time has come to work hard to establish the Khilafah Rashidah (rightly guided Caliphate) based on the method of the Prophethood. It alone will unite you, liberate the Blessed Land, and eliminate the influence of America and the West in our lands.

﴿وَقَاتِلُوهُمْ حَتَّى لَا تَكُونَ فِتْنَةً وَيَكُونَ الدِّينُ كُلُّهُ لِلَّهِ﴾

“Fight against them until there is no more persecution—and ‘your’ devotion will be entirely to Allah.” [Al-Anfal 8:39]
