Visits Conducted by the Central Communications Committee

(Translated)

A delegation of members of the Central Communications Committee of Hizb ut Tahrir / Wilayah of Lebanon included: Eng. Saleh Salaam and Eng. Salahuddin Adada, visited the former Minister of Interior, retired Brigadier General Marwan Charbel, in his residence. They discussed with him the developments in the local and regional political arena. Former Minister Charbel expressed his fear of the scheme of dividing the area. The delegation presented the vision of Hizb ut Tahrir and its project of the Islamic state as a solution to the current chaos and instability in the region. The position of Islam was also explained on the so-called "minorities" and how Shariah requires the Islamic state to treat all its citizens equally.

A delegation from the Central Communications Committee, headed by Dr. Muhammad Al-Biq'a'i, accompanied by Mr. Wissam Al-Homsi, visited MP Assem Araji in his office. They discussed with him the latest political developments; The first was the issue of Al-Quds (Jerusalem). The MP expressed the weakness of the positions of the Muslim rulers, especially the recent position of the Organisation of Islamic Conference in Istanbul. The delegation of the party pointed out to Dr. Araji that the issue is the issue of the Jewish occupation of the land of Palestine and not only Al-Quds (Jerusalem), and that the return of Palestine needs the Muslims to restore their strength, by the establishment of the Khilafah Rashida (rightly guided Caliphate) on the method of Prophethood.

A delegation from the Central Communications Committee of Hizb ut Tahrir / Wilayah of Lebanon, headed by the Chairman of the Committee, Dr. Muhammad Jaber, accompanied by Eng. Saleh Salaam and Eng. Salahuddin Adada, visited Dr. Imad al-Hout in his office at the General Secretariat of the Islamic Group. The delegation presented its vision on the danger of the American plot to provoke contradictions in the Muslim countries and in the ranks of the Ummah, especially stirring sectarian strife by the hands of the rulers loyal to America, so as to prevent the establishment of a state that unites Muslims. They also discussed the latest local and regional political developments, especially the issue of Al-Aqsa Mosque. The delegation agreed with Dr. al-Hout to continue to meet, to discuss the developments and exchange views.
