

Press Release

O Muslim Armies! Your Honor and Paradise Are Waiting for You in the Blessed Land of Palestine. Why Don't You Rush for It?

It has been three weeks since that attack on Gaza and the Muslim leaders are just watching and counting dead bodies. For the record, this is not the tenth time these leaders are doing nothing significant for Palestine – it's habitual! Such betrayal when at the time the Ummah are holding demonstrations everywhere and even non-Muslims of the West and East are demonstrating in support of Palestine, these rulers just couldn't care less!

The hope is now left to the Muslim armies to mobilize to Palestine should they have Taqwa (piety) and are courageous enough to ignore their rulers who have betrayed Allah (swt), His Messenger and the Believers. On this basis, Hizb ut Tahrir / Malaysia has carried out a demonstration, calling for the Malaysian Armed Forces (ATM) to wage Jihad against the inhuman and barbaric usurpers of the Blessed Land of Palestine. The demonstration was held right in front of the Ministry of Defense after Friday prayers on 27/10/2023.

In his speech during the demonstration, the Spokesperson of Hizb ut Tahrir / Malaysia, Ustadh Abdul Hakim Othman asserted that the Malaysian army is not the army of the United Nations (UN), and not the army of the Non-Aligned Movement (NAM), instead they are the army of the Ummah, and the army of Allah (swt). Hence, they must mobilize when the Ummah is calling them, and they must march forth when Allah (swt) commands them! Now, the Muslims in Gaza is calling them, and Allah (swt) had long been commanding them to wage Jihad against His enemies. If not now, then when will they march forth for Jihad?!

O Muslim Armies!

You know that Allah (swt) has honored Umar al-Khattab, who had liberated the Blessed Land of Palestine through Jihad, and He (swt) had then honored Salahuddin al-Ayyubi, who had re-opened it from the Crusaders, also through Jihad. Do you not want to gain the same honor from your Lord by liberating the said land in the same way? Do you not see that not only your honor, but also your paradise are waiting for you in the Blessed Land of Palestine? What an honor and what a victory! Why on earth do you not rush for it?!

O Muslim Armies!

We call you with our hearts and we hope that your hearts are also seeing what is happening in Palestine right now. If you listened to our Call, then do rush to save your brothers and sisters and liberate the Blessed Land of Palestine immediately. Do rush for your paradise! Nonetheless, if your hearts remain closed, we then leave your matter to Allah (swt) for He is the Best Judge. Whatever your decision may be, know that we, Hizb ut Tahrir, will never stop working to re-establish the Khilafah Rashidah (Righteous Caliphate) upon the method of the Prophethood - the Ummah's shield that will save her from her enemies and will liberate her lands immediately, once it is established Insha Allah.
