Call for the Release of Naveed Butt, Who Has Been Held in Abduction Since 11 May 2012, Just for Demanding the Liberation of Pakistan from American Colonialism

This 11 May 2022, is exactly ten years since Naveed Butt was forcibly abducted by Pakistan's security agencies from outside his Lahore residence, as witnessed by his children and neighbors. It is indeed painful to realize that the four children of Naveed Butt have been deprived of their loving father for ten years. An electrical engineer by profession, Naveed Butt is the Official Spokesman of Hizb ut Tahrir in the Wilayah of Pakistan. For over a decade, Naveed boldly raised his voice for the liberation of Pakistan from American colonialism, through the only practical and sure method for that, the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood. Pakistan's rulers keep Naveed in abduction, whilst having extended all manner of compassionate facilities to the Indian spy Kulbushan Jadhav. Is it not time to release Naveed when Pakistan's Commission of Inquiry on Enforced Disappearances has issued a production order, on 4 January 2018, with the reference code ColoED ID No. 860-P?
