O Pakistan's Rulers, Beware! The Islamic Ummah will Make an Example of Those Who Establish Relations with the Jewish Occupation

Addressing a meeting of the World Economic Forum in Davos on 26 May 2022, Isaac Herzog, the president of the Jewish entity, expressed his pleasure at the visit of a Pakistani delegation to the Jewish occupation. Previously, pictures circulated on social media of a visit by Ahmad Qureshi, anchorperson of Pakistan's state-run PTV and known representative of the military leadership. News also broke in June of last year, regarding a secret visit by Zulfiqar Bukhari, a special assistant to the former prime minister, Imran Khan. After the normalization of relations with the Jewish entity, by Arab regimes, there is now increased contact between the Jewish occupation and Pakistan.

Whether it is the Bajwa-Imran regime or the Bajwa-Shahbaz regime, there is full compliance with American orders, due to the imported system of slavery to the colonialists. However, let the rulers know that the Ummah will not accept anything less than the complete eradication of the Jewish occupation. Al-Masjid Al-Aqsa and its surroundings have been blessed by Allah (swt), whilst no kafir authority has a right to even a hand-span of it. It is only a matter of time before those who extend normalization to the Jewish occupation, under American pressure, will be overthrown.

Indeed, the Foreign Office's explanation of the recent visit of the Pakistani delegation is a bare faced lie on top of flagrant sin. How can a foreign NGO dare to use the citizens of Pakistan to establish relations with the occupying Jewish entity? What action did the government take against these individuals and NGOs over this heinous deed? How can voices be raised on Pakistan's behalf for the division of Al-Masjid Al-Aqsa and a two state settlement, when every inch of Palestine must be liberated? How can such voices be raised at a time of nationalist Jewish rallies, celebrating occupation and raising slogans against Muslims?

It is clear that Pakistan's political and military leadership is advancing in betrayal of Muslims and Islam, for cheap worldly gains. Pakistan's leadership has sent the second largest number of troops for the so-called 'peacekeeping' missions of the American tool, the United Nations, in 46 missions around the world, yet it does not mobilize troops in Jihad for the liberation of Kashmir and Palestine! Pakistan's rulers are not only deceiving the Ummah, they are inviting the punishment of Allah (swt). Inshaa Allah, the soon-to-be-established Khilafah (Caliphate) on the Method of Prophethood will mobilize Pakistan's powerful armed forces to finally liberate all Muslim Lands from occupation, so that the Muslims can raise Takbeers of victory in Srinagar and Al-Masjid Al-Aqsa.
