

Press Release**The New Government of Pakistan Will Crush Pakistan with the Blessings of America and Its Agents in Pakistan's Military Leadership**

On 4 March 2024, the spokesman for the US State Department stated, "democratic Pakistan is critical to United States-Pakistan interests, and our engagement with new Prime Minister Shehbaz Sharif and his government will continue to focus on advancing these shared interests." Thus, America remains in full control of Pakistan through its agents in the military leadership. Pakistan will be crushed economically by the International Monetary Fund (IMF), with huge interest payments, back-breaking taxation and crippling inflation. Pakistan will be humiliated regarding its security, through normalization with the Hindu State, to ensure Indian regional cultural, economic and military dominance. This new government is the same as every single government since America gained agents within the military leadership. The redlines for the new government is disobedience to American orders, and conflict with the actual rulers of the country, a select band of highly corrupt generals who have sold the country and their Aakhira, for their Dunya.

O Muslims of Pakistan!

Now we know the full meaning of the phrase "Give honor to the vote." Voting in democracy is only to allow the continuity of American colonialism in Pakistan. There is no hope in change through Democracy. The glaring failure of the "protest vote" is clear evidence of that. There will be no change as long as we are ruled by Democracy. There will be no change as long as there are agents in the military, who carefully select political leaders who will join them in treason and betrayal. As for fleeing the country, it is not a solution for 250 million people. So, let us be clear on the way for change. Change is through ruling by all that Allah (swt) has revealed. Change is through those who work for ruling by the Noble Quran and the Prophetic Sunnah. Change is through gaining material support from the people of power for the Deen. Let us shake off our frustration and focus on the way for change. Each of us must demand that our sons in the armed forces uproot the traitors in their leadership and grant Nussrah to Hizb ut Tahrir for the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood.

O Muslims of Pakistan's Armed Forces!

Pakistan is plagued by corrupt military leaderships for decades now, as is the entire Islamic Ummah. Look at the state of the people you have sworn to protect. Look at the state of the Ummah of Muhammad (saw) that Allah (swt) has honored you, by being part of it. Whilst you wait for orders that will never come, the Islamic

Ummah is being crushed and humiliated by its enemies. The battle has begun and you have yet to join it. It is not a time for analysis or predicting the future. It is not a time to resign or plan retirement. It is a time to act according to the orders of Allah (swt) and His Messenger (saw). Shake off your inaction and march on the footsteps of the Ansaar (ra), who supported the Messenger of Allah (saw). It is the Ansaar (ra) that are the pious models for any sincere military officers who fears meeting Allah (swt). The Ansaar (ra) traded this Dunya for Aakhira by granting their Nussrah (material support) for establishing the ruling by all that Allah (swt) has revealed. You must do the same. The Ansaar fought the armies of tyrants, in a single minded relentless pursuit of victory and martyrdom. You will have the opportunity for the same, under the Khilafah (Caliphate) on the Method of Prophethood, inshaaAllah.

O Muslims of Pakistan and their Armed Forces!

There is a huge political vacuum in the Islamic World, but there is not an absence of a deserving leadership to fill that vacuum. Since 1953, Hizb ut Tahrir has worked tirelessly throughout the Islamic World, and within all the sections of the population, within each country. In all this time and in all those places, Hizb ut Tahrir has always been an aware and sincere guide, that never misleads with misguidance. It has derived all of its political opinions from the Noble Quran and Prophetic Sunnah. Its Shabab have sacrificed willingly for the sake of Allah (swt), fearing none but Allah (swt), suffering harassment, persecution, imprisonment, abduction, torture and killing at the hands of tyrants. Let us work with Hizb ut Tahrir to restore our beautiful Deen to its rightful place, in ruling and authority as a shining example for all of humanity. Indeed, such righteous deeds are overdue. It has been a hundred years since the Khilafah was destroyed by the colonialists and their agents amongst the Arabs and the Turks. This Ramadan, the month of victory, finds us at a time when the Ummah is suffering immensely, with Gaza Hashem at the peak of that suffering. Why should Pakistan not be the first to re-establish the Khilafah (Caliphate) on the Method of Prophethood, earn the pleasure of Allah (swt) and grant relief to the Ummah? Let us support the Deen of Allah (swt), and He (swt) will support us. Allah (swt) said, **يَا أَيُّهَا الَّذِينَ آمَنُوا إِن تَنصُرُوا اللَّهَ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ * وَالَّذِينَ كَفَرُوا فَتَعْسًا لَهُمْ وَأَضَلَّ أَعْمَالَهُمْ * ذَلِكَ بِأَنَّهُمْ كَرِهُوا مَا أُنْزِلَ الَّذِينَ آمَنُوا إِنَّ تَنْصُرُوا اللَّهَ يَنْصُرْكُمْ وَيُثَبِّتْ أَقْدَامَكُمْ * وَالَّذِينَ كَفَرُوا فَتَعْسًا لَهُمْ وَأَضَلَّ أَعْمَالَهُمْ * ذَلِكَ بِأَنَّهُمْ كَرِهُوا مَا أُنْزِلَ** **“O you who believe! If you support Allah (swt), He (swt) will support you and make your foothold firm. As for the disbelievers, they are doomed and their deeds are made void. That is because they hate all that Allah (swt) has revealed so He (swt) renders their deeds void.”** [TMQ Surah Muhammad 47:7-9].
