

Press Release

The Rulers of Muslims are Facilitators of the Zionist Entity, Protecting the Jewish Entity from the Armies of Muslims, Upon Washington's Dictation

On 7 August 2024, an extraordinary meeting of the OIC Executive Committee was held in Jeddah, attended by Pakistan's Foreign Minister Ishaq Dar. The conference was held at a time when the Zionist entity is spilling the blood of Muslims in rivers, in the Blessed Land of Palestine, killing dozens of Muslims, and injuring scores of others every day. Nearly 10,000 Muslims; men, women and children, are in its jails, from where videos of torture and rape have surfaced. On 5 August, horrific news emerged of the evil entity sending 89 bodies as bones and decomposed bodies in an inhumane manner, without any means of identification. This entity is constantly attacking Lebanon, Syria, Iraq, Yemen and Iran, in the latter of which the martyrdom of Ismail Haniyeh, the head of the political bureau of Hamas, is still fresh. The rulers of the Muslim lands should have announced the establishment of a joint military command, and the start of a military operation to eliminate this Jewish scourge. However, as expected, this so called "extraordinary" meeting made an announcement which was based on measures to protect the Jewish Entity. It is once again confirmed that the rulers over Muslim lands are the facilitators of the Zionist entity and they are the real defenders of it!

In his statement, Ishaq Dar stressed on a "de-escalation in tensions in the region." Instead of confronting the Jewish aggressor, and supporting all kinds of military operations, they declared their restraint before ongoing attacks by the Jewish entity. This restraint allows the Jewish entity to continue its aggression, cruelty and brutality. How can oppression by a tyrant ever be ended without confronting it? The Jews are breaking records regarding the worst atrocities in history. However, the rulers of Muslims are enjoying food in luxurious air-conditioned halls, whilst facilitating the Jewish existence through their restraint. Have not the Speech of Allah (swt) passed before them hundreds of times? Allah (swt) said, **"Kill them whenever you confront them and drive them out from where they drove you out."** [TMQ Surah Al-Baqarah 2:191]. These rulers are not fools who have fallen into submission to the enemies. They are traitors who are protecting the Jewish entity from the armies of the Muslims, in order to please the United States.

In his statement, the Foreign Minister, Ishaq Dar, demanded "accountability for the war crimes committed by the occupation authorities." Mr. Dar, who will account the aggressor? Who are you demanding this from? How can you demand accountability by America, when the Jewish entity is America's most important military base? How long will you restrain the Pakistan Army from its duty? Allah (swt) said, **"Believers! What is amiss with you that when it is said to you, 'March forth in the cause of Allah,' you cling heavily to the earth? Do you prefer the worldly life to the Hereafter? Know well that all the enjoyment of this world, in comparison with the Hereafter, is trivial."** [TMQ Surah At-Tauba 9:38]. The arguments against these rulers have been confirmed and established. He who still has a good opinion of them has no wisdom, and is worthy of rebuke. All that remains is that the rulers must be removed, so that in their place a new pure entity returns to the Muslim world, the Khilafah Rashidah on the Method of Prophethood. In order to achieve this change, the Ummah must demand the Muslims in the armed forces to give Nussrah to Hizb ut Tahrir for the establishment of the Khilafah (Caliphate). It is only then that the rule of these traitors, and their long-standing treason, will end. It is only then that the sanctity of the Muslim blood will be restored. It is only then that the monstrous Jewish entity, established and sustained by an external power, will be buried.
