

Press Release

## How Are the Rulers of Pakistan Expressing Solidarity with the People of Bangladesh, Whilst Following the Same Policies of Sheikh Hasina Wajid?

On 7 August 2024, the Ministry of Foreign Affairs stated, “The Government and people of Pakistan stand in solidarity with the people of Bangladesh, sincerely hoping for a peaceful and swift return to normalcy.” However, just like its other statements, this statement of the government is also based on a blatant lie. Neither the Bangladeshi leadership, nor Pakistani rulers, are ready for what the people of Bangladesh and Pakistan really want. If the wishes of the people were really implemented, then these rulers and the neo-colonialism of their colonial masters would surely perish!

The lava of anger within the people of Bangladesh was constantly increasing against Sheikh Hasina Wajid because of her anti-Islam and anti-Muslim actions. Hasina had crossed all limits in pro-India stances. Her Chatra League thugs were physically targeting the Islamists. A large number were victims of enforced disappearance, some were even hanged, while a large number were imprisoned. The Hasina regime was forcing secularism upon the people to please its Western masters, Britain and America. Eventually the lava of anger finally erupted over the issue of government quotas. This is all why, at the end of her regime, the government had to release Islamists, statues of Sheikh Mujib were destroyed everywhere, secular leaders of Awami League were forced into hiding, and Indian intelligence officials, in the guise of diplomats of the Hindu State, were forced to limit their presence due to public anger. So, isn't the Munir-Sharif regime also proceeding in the same path as Sheikh Hasina!

Whilst getting rid of the severe oppression of Sheikh Hasina is certainly welcome, the old system is still there. The Bengali military leadership supported the people, not for a change in the system, but for a change of faces. It is the same cosmetic change, which happens in Pakistan every few years. There is a change in rulers to cool the anger of the people before they come on streets to demand a change of the system. The only real change is the establishment of the Khilafah (Caliphate) on the Method of Prophethood. This is when the people of power provide their Nussrah to a righteous man, who will implement Islam comprehensively in a radical manner, eradicate Western influence, unify the lands of Muslims and send armed forces for the liberation of occupied lands.

**O Pakistan's Armed Forces!** The Muslim World and the American world order is in a state of turmoil. The treachery of all the rulers of the Muslims is exposed. If you mobilize, the rulers of Muslims are ready to run away with their briefcases. The Muslims from Morocco to Indonesia, the Muslims of the Western world and the oppressed people of the world will be by your side. Understand the changing conditions of the world. Know that the Deen of Islam is arising within the Ummah. Today's Rome and Persia have crumbled. Their hollow foundations have been exposed. On top these realities, Gaza has made the right and the wrong perfectly clear.

So come forth! Grant Nussrah to the Amir of Hizb ut Tahrir, the capable statesman and eminent jurist, the 'Alim Sheikh Ata Bin Khalil Abu Al-Rashtah, for the establishment of the Khilafah (Caliphate). Sheikh Ata is leading the largest Islamic political party in the world, in more than forty countries, that is active in the field, with all the preparations for the establishment of the Khilafah (Caliphate). Fulfill your duty regarding the power bestowed on you by Allah (swt). It is all upon you now. Make the best trade for yourselves. Turn the tides in favor of your Deen with your blood, steel and fire. Allah (swt) said, **إِنَّ اللَّهَ اشْتَرَىٰ مِنَ الْمُؤْمِنِينَ أَنفُسَهُمْ وَأَمْوَالَهُمْ بِأَنَّهُمْ لَهِمُ الْجَنَّةِ يُقَاتِلُونَ فِي سَبِيلِ اللَّهِ فَيَقْتُلُونَ وَيُقْتَلُونَ** **“Indeed, Allah has purchased of the believers their lives and their wealth and in return has promised that they shall have Paradise. They fight in the Way of Allah, slaying and being slain.”** [TMQ Surah At-Tawbah, 9:111].
