The Ruling Factions of Pakistan Welcome their New Colonialist Master, Trump, and Assure him of their Willingness to Implement his Dictations

Like other rulers of Muslims, the Prime Minister of Pakistan, Shehbaz Sharif, congratulated his new master, Trump, with the announcement of his victory in the American presidential elections. Shehbaz Sharif tweeted, "Congratulations to President-elect Donald Trump on his historic victory for a second term! I look forward to working closely with the incoming Administration to further strengthen and broaden the Pakistan-U.S. partnership." As for the leader of the actual opposition, Imran Khan, he also congratulated Trump and said, "President Elect Trump will be good for Pak-US relations based on mutual respect for democracy & human rights." Who exactly are the ruling factions of Pakistan congratulating? It is the same Trump who said on 28 June 2024 that President Biden should let the Jewish entity "finish the job." However, the ruling factions of Pakistan are busy outdoing each other for the opportunity to work with colonialists.

Who are the ruling factions of Pakistan willing to work with, exactly? It is Trump upon whose dictation the political and military leadership of Pakistan surrendered Occupied Kashmir to Modi in August 2019. It is Trump who dropped the "Mother of All Bombs" on Afghanistan. It is Trump upon whose dictation the Pakistani political and military leadership facilitated the deal over Afghanistan in Qatar, so that his cowardly army could be rescued from humiliating defeat, at the hands of the mujahideen. It is Trump who bombed Muslims in Yemen, Syria, Iraq. So, now, what other colonialist interests are the ruling factions of Pakistan willing to facilitate for Trump?

The Democrats and Republicans in America are united in their core policies. The Democrats wear the cloak of political hypocrisy. They forcefully establish American dominance over the world, whilst speaking about human rights and democracy. As for the Republicans, they also establish American dominance, but in the style of brute force. Of course, Muslims are happy with the defeat of the Democrats, whose administration provides the Jewish entity the funds and weapons it needs to perpetrate the genocide in Gaza and Palestine. However, Trump also openly declares support for Netanyahu. So how can there be any happiness for Muslims in this? The only change is that America's supervision of slaughter of Muslims will come out more openly now.

The strength of the Ummah will come not from the change in the domestic politics of the colonial oppressive powers. It will come from the uprooting of agent rulers in the capitals of Muslims. It is time for the revolutionary establishment of the Khilafah Rashidah on the ruins of these agent regimes. So why has that change not happened in Islamabad yet, O officers and soldiers of the Pakistan Armed Forces?! How long will we continue to refer our issues, such as Kashmir, Palestine, Burma, East Turkestan (Xinjiang), Syria, Iraq or Sudan to Western powers and global colonialist institutions, with their deceitful politics? How long, when we have millions of troops that desire martyrdom, and huge quantities of warplanes, tanks, warships, submarines, ballistic and cruise missiles? Take matters into your hands, O sons of Muhammad bin Qasim. So, O officers of the Armed Forces of Pakistan! Come forth and grant Nussrah to Hizb ut Tahrir for the establishment of the Khilafah Rashidah (rightly guided Caliphate). The Prophet (saw) said, «إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَقَىٰ بِهِ» "The Imam (Khaleefah) is a shield for Muslims. They fight from behind him and they are protected by him."
