

Press Release

The Rulers of Muslims Seek to Hijack the Revolution in ash-Sham, Under American Dictation, Transforming it into a Secular Nationalist Democratic State, Under the Colonialist World Order.

Overtake their Plans by Establishing the Khilafah Rashidah

On 8 December 2024, the Pakistani Foreign Minister discussed the changing situation in Syria with his Turkish counterpart by phone. The United States and its agents within the Muslim World are alert over the ever-changing situation in Syria, fearing that it will lead to the collapse of the colonialist Sykes-Picot order in the Middle East. The US, through the ruler of Turkey and other rulers of the Muslim world, wants to lay waste to the sacrifices of two million Muslims in Syria by maintaining the previous secular order, the democratic nation-state, and preventing the abolition of the pillars of the previous criminal regime. On behalf of the Muslims of Pakistan, we wholeheartedly congratulate the revolutionaries of ash-Sham on their great success so far. Our hearts beat with them and we are overjoyed on the demise of the tyrant. However, we urge them to immediately cease celebrations to protect and complete the revolution. We urge them to immediately restore the ruling by all that Allah has revealed and by establish the Khilafah (Caliphate) on the Method of Prophethood, and immediately mobilize towards al-Quds, which is the line that distinguishes the true revolutionaries from the false revolutionaries!

The rulers of the Muslim world meet in Qatar, share their roles according to the American plan with each other by phone, and coordinate with the ruler of Turkey, Erdogan, who played the largest role in disrupting the revolution of ash-Sham. However, America and the West do not control the Muslim World through the rulers of Muslims alone. The colonialists have set up a complete colonialist order through which they have divided, weakened and paralyzed the power of Muslims. The nation-state order of dividing borders is one of the greatest weaknesses of Muslims, which Islam rejects. Through democracy, America diverts ruling from the commands and prohibitions of Allah (swt), to human desires over which America has direct influence. America allows these rulers to deceive the Muslims by implementing some of the Shariah rulings of Islam, but never allows the complete implementation of Islam. Thus Muslims are given weak, submissive states under the current world order, which are designed to serve the colonialists. This is the civil democratic state that the United States wants to continue in Syria. This is the civil democratic state through which America controls the Taliban in Afghanistan now, and controlled President Morsi in Egypt before that. Are we ready to be stung from the same hole for the twentieth time?

O Pakistan's Armed Forces! Two million Muslims were martyred in Syria because the military officers failed to overthrow Bashar al-Assad, which then fell upon the people and militias to do. You can see how the American armed forces has been humiliated in Afghanistan and Iraq in the last two decades. This is despite the fact that the rulers of Muslims fully assisted America by all available means. So what will happen when the armed forces of the Muslims remove the current rulers, establish the Khilafah Rashidah and expel America from the Muslim World? The colonialists will forget the false promises and whispers of the shayateen!!! Global Muslim public opinion is unified and ready for the ruling by all that Allah (swt) has revealed and the end of American colonialism. So, come forth for decisive action in this crisis. Grant Nussrah to Hizb ut Tahrir for the establishment of the Khilafah Rashidah. By the Permission of Allah (swt), the Khilafah Rashidah will rapidly unify the Muslim World, liberate Al-Quds Al-Sharif, eradicate the Jewish entity, and bury the colonialist order of Washington, London, Paris, Moscow, and Beijing. The Ummah is at the threshold of its revival, so will you not come forward for the Pleasure of Allah (swt)?

﴿وَمِنَ النَّاسِ مَن يَعْجُزُ عَلَىٰ حَرْفٍ فَإِنْ أَصَابَهُ خَيْرٌ اطْمَأَنَّ بِهِ وَإِنْ أَصَابَتْهُ فِتْنَةٌ انْقَلَبَ عَلَىٰ وَجْهِهِ خَسِرَ الدُّنْيَا وَالْآخِرَةَ ذَلِكَ هُوَ الْخُسْرَانُ الْمُبِينُ﴾

“And among people is he who worships Allah on the borderline. If any good befalls him, he is satisfied. However if a trial afflicts him, he utterly turns away. He will incur the loss of this world and the Hereafter. That indeed is a clear loss.” [TMQ Surah Al-Haj, 22:11]
