Pakistan Needs a Real Revolution that Includes Nussrah (Material Support) from the Sincere Officers of the Armed Forces for the Establishment of the Khilafah Rashidah (Rightly-Guided Caliphate)

The Ummah is undergoing a process of transformation. It is on the verge of real change. However, due to the incomplete agenda of the revolution, a leadership with limited vision, and the conspiracies of the agents of the West, it has not been able to bring about real change. In the last five years alone, Afghanistan was liberated from direct American occupation. However, due to limited political vision and the conspiracies of the colonialist agents, the brave mujahideen have been caged within the borders of the nation-state. In Bangladesh, the students and the people overthrew the secular Hasina. However, the revolution is being wasted by leaving the secular system in its place. In Syria, the mujahideen defeated the secular American agent Bashar. However, for the satisfaction of the West and America, the agenda of a civil state is being presented by adopting old oppressive structures and limiting the role of Islam. Whether it is Egypt, Jordan, Pakistan, or Turkey, the entire Ummah is on the verge of change. However, only the method of the Prophet (saw) and the system of the Khilafah Rashidah (rightly-guided Caliphate) can guide the Ummah.

A revolution is incomplete without three essential constants.

Firstly: The complete elimination of the ruler and his entire entourage of pillars, who are constantly changing faces and formations, according to Western requirements. This is the faction within the Ummah that claims to be part of the Ummah but is actually an extension of colonialism in the Muslim world.

Secondly: Uprooting the old secular structures, systems and constitutions of the state. The West's power over the Muslim world is not limited to a few collaborating agents. The West has created a complete structure and framework to perpetuate its dominance over the Muslim world. Western embassies, consulates, democratic and authoritarian structures based on human-made sovereignty, laws and constitutions, as well as the nation-state, federal structure, nationalistic army, capitalist economic system, liberal social structure, common law-based judiciary and foreign policy that bows to the international order in the name of national interest, all this is the framework through which the West's power continues even after the overthrow of a ruler.

Thirdly: The establishment of the Islamic state of the Khilafah (Caliphate) on the basis of La ilaha illAllah "there is no God but Allah" and the complete implementation of Islam radically. The previous failed changes were actually fooled by pragmatic, gradual

change. Instead of strengthening the state through Islam, they were lured by the slogan “first we will be strong, then we will establish Islam.” However, Tariq ibn Shihab reported: Umar ibn al-Khattab (ra) said, إِنَّا كُنَّا أَذَلَّ قَوْمٍ فَأَعَزَّنَا اللَّهُ بِالإِسْلَامِ فَمَهْمَا نَطْلُبُ الْعِزَّةَ بغير مَا أَعَزَّنَا اللَّهُ بِهِ أَذَلَّنَا اللَّهُ “Verily, we were a disgraceful people and Allah honored us with Islam. If we seek honor from anything besides that with which Allah honored us, Allah will disgrace us.” [al-Mustadrak alaa al-Sahiihayn]

To achieve this change, instead of the Ummah fighting the people of power in the Muslim world and destroying their own power, the Ummah and the sincere people among the people of power must join forces to remove these corrupt rulers and their pillars, who are actually agents of colonialism. In Pakistan, these people of power are the military officers, who can remove the corrupt political and military leadership upon the Dawah of the Ummah, and establish the Khilafah Rashidah (rightly-guided Caliphate). The war in Gaza has ignited a fire within the Ummah. The Ummah has seen the true faces of these rulers, and now it is no longer ready to accept this system. The Ummah is eager to erupt. It is the same situation from Indonesia to Morocco.

So, O officers of armed forces of Pakistan! Acknowledge your responsibility. You are not soldiers of a nation-state. You are soldiers of the Ummah of the Messenger of Allah (saw) and the protectors of the Ummah. Instead of becoming just career officers, become the followers of the Ansar. A few Ansar changed the course of history by giving Nussrah to the Messenger of Allah (saw) in the Second Pledge (Bayah) of Aqabah, the pledge of war, the pledge of men, the pledge of Nussrah. The major powers of the time, Rome and Persia, were defeated and the Islamic state became the world’s leading state for centuries. Today, the successors of the Romans have become rebellious, violating the lives, property, honor, dignity of the Muslims and the sanctity of your Prophet (saw). Come forth and grant your Nussrah to Hizb ut Tahrir for the establishment of the Khilafah Rashidah (rightly-guided Caliphate) on the Method of Prophethood. The Khaleefah Rashidah (rightly-guided Caliph) will resume the chain of conquests from where they last stopped in the heart of the West. Allah (swt) said, ﴿وَمَنْ يَتَّقِ اللَّهَ يَجْعَلْ لَهُ مَخْرَجًا وَيَرْزُقْهُ مِنْ حَيْثُ لَا يَحْتَسِبُ وَمَنْ يَتَوَكَّلْ عَلَى اللَّهِ فَهُوَ حَسْبُهُ إِنَّ اللَّهَ بَالِغُ أَمْرِهِ قَدْ جَعَلَ اللَّهُ لِكُلِّ شَيْءٍ قَدْرًا﴾ “Allah will find a way out for him who fears Allah, and will provide him sustenance from whence he never even imagined. Whoever puts his trust in Allah, He shall suffice him. Surely Allah brings about what He decrees. Allah has set a measure for everything.” [TMQ Surah At-Talaq 65:2-3].
