

Press Release

Kashmir Cannot be Liberated Without Replacing a Leadership that Wastes a Golden Opportunity to Liberate Kashmir, for the Sake of Pleasing Trump

Today, on 5th August 2025, six years have passed since the forced annexation of Occupied Kashmir by the present-day Raja Dahir, Modi. Based on a deal settled in the United States, the surrender of Kashmir was an open betrayal by Pakistan's political and military leadership of the time, the Bajwa-Imran government. Just a few months later, General Bajwa furthered this betrayal by signing a ceasefire agreement, with the Hindu State regarding Kashmir. However, this betrayal against the oppressed and helpless Muslims of Kashmir continued even beyond that.

On 6th May 2025, in response to the war imposed by the Hindu State on Pakistan, the falcons of the Pakistan Air Force humbled India. Not only did they shoot down nearly half a dozen modern fighter jets of the Hindu State, they also achieved complete air superiority over the cowardly Hindus. As a result, after a long wait, a golden opportunity emerged to reclaim Kashmir, under the air cover of the Pakistan Air Force, so that Modi's unilateral annexation could be buried in Srinagar. However, instead of seizing this opportunity like true believers, Pakistan's military and political leadership gave more importance to pleasing Trump and, on his dictation, decided on a ceasefire. Thus, like they abandoned the Muslims of Gaza, they also left the oppressed Muslims of Kashmir alone to face Hindu occupation and tyranny.

Yet the Messenger of Allah (saw) said, «الْمُسْلِمُ أَخُو الْمُسْلِمِ لَا يَظْلِمُهُ وَلَا يُسْلَمُهُ» **“A Muslim is the brother of another Muslim; he neither oppresses him nor hands him over (to the enemy).”** [Bukhari & Muslim]. Not even the return of the six rivers from the Hindu State, or the reinstatement of the Indus Waters Treaty was ensured. Instead, the same treacherous ceasefire agreement was maintained, which now appears as a stain on the faces of these rulers!

O Sincere Officers and Soldiers in Pakistan's Armed Forces! Your military and political leadership has made Trump's pleasure their life's goal, but they are unwilling to mobilize you to aid Muslims. They are busy nominating Trump for the Nobel Prize, and bestowing the Nishan-e-Imtiaz on CENTCOM's commander, General Kurilla, the military planner of the war on Gaza. Your leadership took credit for the bravery of Pakistan's Air Force's falcons and promoted themselves, up to the rank of Field Marshal. However, none of these medals and ranks benefitted the Muslims of Gaza or Kashmir. In reality, all of their efforts resemble the work of Trump's trusted messenger, going from country to country to pave the way for the Zionist two-state solution.

Kashmir will never be liberated under this leadership because they do not have the courage to step beyond the lines drawn by the international order and Trump. Kashmir will never be liberated by anything less than Jihad by Pakistan's Armed Forces. Kashmir will only be freed by leadership that, while raising the banner of Tawheed, unleashes the lion-hearted soldiers of Pakistan Army, and, instead of trusting Trump, puts trust in Allah (swt) and breaks the chains of this international order.

Hizb ut Tahrir calls you to the re-establishment of the Khilafah (Caliphate) on the Method of Prophethood, which will uproot the illegitimate occupations of the Jews and Hindus over Gaza and Kashmir. So, step forward and give the Bayah of Nussrah (military support) to the Ameer of Hizb ut Tahrir and global statesman, the esteemed Aalim, Ata Bin Khalil Abu Al-Rashtah, for the establishment of the Khilafah, and fulfill the Shariah obligation placed on you by Allah (swt).
