Asim Munir's Visit to Cairo is a Step Toward Implementing Trump's Vision for the Middle East

In implementation of Trump's vision for the Middle East, which envisions the expansive promotion of a Jewish entity within the Muslim world after normalization, and the inclusion of all existing regimes in the Muslim world within the so-called Abrahamic Accords vision, a recent rapprochement between America's agents in the Muslim world has taken place, with the aim of realizing Trump's dreams in the region. In this context, Egyptian President Abdel Fattah el-Sisi, whom Trump described as his "favorite dictator," received Field Marshal Asim Munir, who Trump described as his "favorite field marshal" and whose regime nominated Trump, the butcher of Gaza, for a Noble Peace Prize, at the Al-Ittihadiya Palace in East Cairo. The meeting was attended by the Egyptian Minister of Defense. The two sides claimed to have discussed joint cooperation and strengthening of regional security, with the Pakistani ambassador in Cairo also present.

Asim Munir also met with Lieutenant General Abdel Meguid Saqr, the Commander-in-Chief of the Armed Forces and Minister of Defense and Military Production. Discussions focused on strengthening military relations between the Egyptian and Pakistani armed forces, emphasizing the "common vision" of frameworks that support international peace and security, albeit tailored to the needs of Jews and America. General Sisi expressed his appreciation for what he described as the "notable development in Egyptian-Pakistani relations," emphasizing his regime's commitment to continuing to strengthen bilateral cooperation to serve "common interests," meaning the interests of their masters in the White House.

The "common interests" discussed were related to strengthening military cooperation between the two sides, not to liberate Palestine, cleanse Al-Masjid Al-Aqsa of Jewish filth, or avenge the tens of thousands of martyrs killed in the genocidal massacres led by Trump at the hands of the sinful Jews. Indeed, neither Palestine nor Al-Masjid Al-Aqsa were even mentioned in the meeting! How can the liberation of the Blessed Land be discussed, while General Sisi acts as a mediator between the resistance and the Jews, opening the doors of Egypt's hotels and resorts to delegations and presidents who come to agree on killing and disarming the resistance, and sending international forces to replace the occupation forces, to complete what the Jewish killing machine began, with unlimited American weapons and political and economic support?! Has Pakistan Army moved during the past two

years to rescue our oppressed people in Gaza that it would now move to help or support the people of the Blessed Land?!

Their talk of exchanging military expertise is not for the purpose of imposing Jihad in the Path of Allah (swt) and liberating Palestine, but rather to realize Trump's vision for Gaza, transforming it into a haven for corruption for him and his allies among the rulers of the Arabs and Muslims. Therefore, they did not forget to emphasize the importance of avoiding escalation against the Jewish state, which they expressed with the phrase "confronting terrorism and extremism."

O the Sincere within the Pakistan Army and the Army of Egypt Al-KinanaH! Know that the genocide against the Muslims of Palestine continues due to your inaction, and that Allah (swt) is Witness to the mightiest Muslim armies standing idly by while His servants are killed, slaughtered, tortured, assaulted, humiliated, starved, and displaced. Therefore, we ask you: How many more children will you let die of hunger or be sniped at? How many men will you allow to be tortured and humiliated? How many more women will you let the Jewish forces assault? So beware, O soldiers of the Islamic Ummah! Many nations before us have gone astray at the hands of their tyrannical leaders. Do not obey those who disobey Allah (swt). It is reported in Musnad Ahmad and Ibn Majah with an authentic chain of transmission that the Messenger of Allah (saw) said, «مَنْ أَمَرَكَ مِنْهُمْ بِمَعْصِيَةِ اللَّهِ فَلَا تُطِيعُوهُ» **"Whoever among them orders you to disobey Allah, do not obey him."** Abu Bakr al-Siddiq (ra) also warned against following disobedient rulers, saying, أَطِيعُونِي مَا أَطَعْتُ اللَّهَ وَرَسُولَهُ، فَإِنْ عَصَيْتَ **"Obey me as long as I obey Allah and His Messenger. If I disobey Allah and His Messenger, then you must not obey me."**

This is despite the fact that Abu Bakr (may Allah be pleased with him) was one of the best of the Companions (ra)! So how can you be satisfied when you obey tyrannical rulers who serve the West, defy the commands of Allah (swt), and can never attain the ranks of the noble Companions (may Allah be pleased with them)? Enough of the deception, lies, conspiracy, and betrayal by the current rulers of Muslims! They are a burden on the Ummah, and you must take them to task now. Give your nussrah (military support) to Hizb ut Tahrir to establish the Khilafah (Caliphate) on the Method of Prophethood, which will mobilize the Ummah's military power and economic resources, eliminate the criminal Jewish entity, and consolidate the Khilafah's regional hegemony, making it the world's leading state.

Allah (swt) said, **﴿إِنْ يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذُلْكُمْ فَمَنْ ذَا الَّذِي يَنْصُرُكُمْ مِنْ بَعْدِهِ وَعَلَى اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ﴾** **"If Allah helps you, none can overcome you. However, if He forsakes you, who is there that can help you after Him? And in Allah let the believers put their trust."** [TMQ Surah Aali Imran:160].
