

Press Release

Pakistan, the Pure Land, Does Not Welcome or Greet the Treacherous Descendants of Traitors

(Translated)

After the silence of the people of the graves by the agent regimes burdening the Muslim lands, over the Jewish massacres in Gaza for more than two years, the agents of America and Britain, the allies of the Jews, began to move and be active in implementing Trump's plan to liquidate what remains of the resistance in Palestine, suppress and kill people in Gaza, and demolish what the Jews did not demolish of stone. Trump's "favorite field marshal" Asim Munir visited Jordan on 26 October, and in return, on 16 November 2025, King Abdullah II bin Al-Hussein, King of the Hashemite Kingdom of Jordan and the Supreme Commander of the Jordanian Armed Forces, visited Pakistan, accompanied by his daughter Salma bint Abdullah II bin Al-Hussein, and a delegation of Jordanian civilian and military officials. They visited the Global Industrial and Defense Solutions Company, where they were received in military sites by Asim Munir, Chief of Staff of the Army, and several senior officials. During the visit, the King received a comprehensive briefing about the company's structure, capabilities, and product portfolio. The briefing reflected Pakistan's progress in local defense production and technological innovation. Later, King Abdullah II visited firing ranges in the hills, where the Prime Minister Muhammad Shehbaz Sharif also attended the event.

We, in Hizb ut Tahrir / Wilayah Pakistan, condemn this visit and affirm the following;

Firstly: No welcome or greeting to King Abdullah II, the first guardian of the Jewish entity in the region, and this visit does not honor Pakistan, the Pure Land. Abdullah II was the first to conspire against the Blessed Land of Palestine and its people during the past two bloody years in Gaza. His role exceeded the betrayal of the people of Gaza by preventing the Jordanian army from supporting its people, suppressing all who demonstrated condemning the massacres, and went beyond that to alliance with the Jewish state to kill our people in Gaza, as recently revealed by the press, confirming that Jordan was among six countries participating in killing the people of Gaza, alongside the Jewish entity, with convoys of supplies and equipment passing through Jordan and Saudi Arabia, coming from the UAE and beyond. Should this traitor have been welcomed with a red carpet in Pakistan, the Pure Land?! The people of Pakistan must cleanse the land the treacherous king walked on with water seven times, so the land may return to its purity.

Secondly: Has the truth about this king escaped the military leadership in Pakistan?! Do they not know he is a descendant of a treacherous family made by the despicable English?! His great grandfather Hussein bin Ali, the Sharif of Makkah, stabbed the Uthmani Khilafah (Ottoman Caliphate) in the back within Hijaz, after allying with the English, along with his son Abdullah I, and they were both the wedge for the downfall of the Khilafah (Caliphate) state?! Do they not know that this king's father, King Hussein, was a spy for Moshe Dayan and Golda Meir, relaying news about countries around the Jewish entity after his visits to Egypt, Syria, and others?! Do they not know that this king will also relay all he witnessed in Pakistan to his Jewish brothers in their state as his father did before?! Do the military leadership not know about Princess Salma's

role, as a pilot in the Jordanian Air Force, in downing several Iranian drones that entered Jordanian airspace, en route to the Jewish state last year?!

Thirdly: We know this closeness between American and Jewish agents is not in the interest of Islam and Muslims. They have never gathered to support any Muslim cause; their meetings and closeness serve only to harm this Ummah, conspire against its issues, and execute the plans of their masters in Washington and London. What unites these agents today is carrying out Trump's plan in the Blessed Land of Palestine, doing the dirty work performed by the Jewish entity in Palestine, by forming military forces from various Muslim countries near and far, including Jordan and Pakistan, and having these forces suppress the people of Palestine, and protect Jews among them, as per their master Trump's plan. Therefore, the people of Pakistan must take a firm stance against these agents and prevent them from sending mercenary forces to protect the Jewish state, and demand that the sincere in Pakistan Army overthrow their treacherous commanders and direct the armed forces toward the Blessed Land to liberate and cleanse it from Jewish defilement.

O Sincere Officers in Pakistan Army! The treason of these agents has reached the skies, a matter no sane mind or heart of sound valor can bear. The betrayal of your military commanders, who did not refuse America any conspiracy, whether it is in Afghanistan under the guise of the "War on Terror," or the surrender of Kashmir, or rapprochement with the enemy of Islam and Muslims, the Hindus, now sees them obeying Trump's command in conspiring against the Blessed Land of Palestine and its people. When will the spirit of the mujahid, who accepts no violation of the Deen of Allah (swt), rise within you? How can the mujahid accept the likes of a munafiq, Ubdullah ibn Ubay ibn Salool as his commanders?! We, in Hizb ut Tahrir/ Wilayah Pakistan, call for your military support (nussrah) for Islam and Muslims, not your protection of Jews under a leadership that is treacherous to Allah (swt), His Messenger (saw), and the believers. We call for your military support (nussrah) in establishing the Khilafah Rashidah (Rightly-Guided Caliphate) in Pakistan, the Pure Land, to lead armies in liberation (tahrir) of the Blessed Land of Palestine and Al-Masjid Al-Aqsa, not to march to kill Muslims there, and empower the Jewish entity, as your commanders and the treacherous descendant of the treacherous King Abdullah I seek. Your silence regarding your treacherous leaders over the past decades, and especially in the last two years, regarding their abandonment of the Palestinian people, requires sincere repentance followed by action commensurate with the magnitude of your betrayal and desertion on the day of battle, which you committed by failing to support our people in Gaza. So come to stand with Islam and Muslims by giving your military support (nussrah) to Hizb ut Tahrir now, a deed that pleases Allah (swt) and atones for your negligence in supporting your people in the Blessed Land of Palestine.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ اتَّقَلْتُمْ إِلَى الْأَرْضِ أَرَضِيتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ * إِلَّا تَنْفَرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلْ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَى كُلِّ شَيْءٍ قَدِيرٌ﴾

“O you who have believed, what is the matter with you that, when you are told, ‘Mobilize in the Path of Allah,’ you cling heavily to the earth? Have you become satisfied with the life of this world rather than the Hereafter? However, the enjoyment of the worldly life compared to the Hereafter is nothing but little * If you do not mobilize, He will punish you with a painful punishment and will replace you with another people, and you will not harm Him at all. And Allah is over all things Capable” [TMQ Surah At-Tawba 38-39]
