

Press Release

Pakistan's Armed Forces Must Be Sent to Liberate the Blessed Land of Palestine, Not to Fulfill the Dreams of the Enemy of Allah (swt), Trump, and the Jews!

The sending of Pakistani military forces to Gaza to support its people and fight the Jews who have continued the genocide operation there, since 7th October 2023 was never discussed, under the pretext that Gaza is far away, and that the Shariah obligation to support it falls upon those closest. But as soon as the master of the Pakistani regime and the enemy of Allah (swt), Trump, ordered the regime to send forces to achieve his dreams in Gaza, Pakistan suddenly became a neighboring country to Gaza, and Pakistani military forces are made ready to conduct military operations outside the nationalistic borders of Pakistan. **Thus the regime's lie was exposed regarding its inability to send military forces to support our people in Gaza.** Its betrayal of them was confirmed. It was also confirmed that the regime, as it has accustomed us over past decades, is an arrow in the quiver of the colonialist kafir disbeliever, especially America, which has long used the regime, the country's resources, and its military power to achieve its interests and serve it in the region. Here it is now using Pakistan to achieve its interests and the interests of the Jewish entity, until it reaches the blessed land of Palestine. What disgrace and shame is this, to which the official Pakistani regime has brought us down to!

In this context, there was a press conference held by Pakistan's Deputy Prime Minister and Foreign Minister Ishaq Dar on Saturday 29 November 2025, which contained numerous fallacies, deceptions, and readiness to do whatever America demands of him in service of its vital interest, represented by preserving the security and influence of the Jewish occupying state in the Blessed Land of Palestine. Among these fallacies are:

First: Ishaq Dar's statement regarding disarmament of Hamas, "We are not ready for that. This is not our job... As per my information, if it will include disarming Hamas, then even my Indonesian counterpart has informally expressed his reservation," and this is misleading and deceptive. For the "peace" forces proposed by the leader of the Crusader campaign in Gaza, Trump, are a name that does not match reality, as they are forces subordinate to the administration, supervision, and command of a war center run by America near Gaza, the very center that is now coordinating the killing and destruction operations in Gaza, even after the Sharm el-Sheikh agreement in which Shahbaz Sharif and his regime were false witnesses. So, who will believe that forces led by America and the Jews will be peacekeeping forces, rather than mercenary forces carrying out the dirty work that America and the Jewish state are doing now?! And if they are truly peace forces, whose peace will these forces preserve?! Is it not Trump's America that owns this project and proposal?! What has it done regarding the Jews' violations of the alleged peace agreement?! Has it forced them or even condemned the Jewish state's continuation of killing and tormenting the people of Gaza, or has it coordinated, participated, and even managed the killing operations as the primary sponsor, supporter, and financier of the Jewish state in its massacres?!

Second: Regarding the disarming of the resistance and the minister's statement, "We are not ready for that. This is not our job, but of the Palestinian law enforcement agencies. Our job is peacekeeping, not peace enforcement. We are definitely ready to contribute to the force — the prime minister has in principle already announced after consultation with the field marshal that we will contribute," this is another fallacy. For if the forces are truly for keeping the peace, will they repel and fight the Jews, if they carry out any military action against the people of Gaza or the resistance?! Or will they be forces to prevent the people of Gaza from resisting the Jewish occupier, as is stipulated and required of them internationally and by America?! Then about what resistance weapons is this minister talking about?! Does he not know that the Jews have martyred and eliminated most of the resistance fighters in Gaza, while he and Trump's "favorite field marshal"

watched and did not move a muscle for more than two years?! Moreover, is supporting the forces of the Palestinian Authority, which operates as a security arm for the Jews, not support for the Jewish state, fighting alongside them, and aligning with the Jews against the people of Gaza and whoever remains of the resistance?! The role of these forces will be to complete the dirty work begun by America and the Jews, standing side by side with the agents of the “Oslo Authority” of Mahmoud Abbas to eliminate whatever remains of the resistance in Gaza and nothing more.

Third: As for Dar’s statement that Indonesia offered 20,000 soldiers, and Prime Minister Shahbaz Sharif also indicated “in principle” that Pakistan would look favorably upon its participation, this statement demonstrates ignorance of the reality of the Jewish entity occupying the Blessed Land and the blessed Al-Masjid Al-Aqsa. For the Jewish entity would not need more than 20,000 fighting troops of Indonesia or Pakistan to wipe it out and erase it from existence. The evidence of that is this entity’s inability to break the will of the unarmed people of Gaza together with a few thousand resistance fighters carrying light weapons, despite its unlimited support from America and the rest of the global Crusader alliance, including many countries of the region, foremost among them the neighboring countries: Jordan, Egypt, Turkey, the United Arab Emirates, and others. Do you think, Mr. Dar, that the Jewish state could withstand 20,000 battle-ready mujahid forces from the elite troops of Pakistan or Indonesia?!

The regime, in both its political and military wings, knows the treacherous role assigned to it in this filthy operation. Therefore, it resorts to evasion, lying, and deception in order to save face, if any face remains to it at all. In this context, it is understandable what was reported about the anger of Defense Minister Khawaja Asif last month, who “strongly condemned the controversial statements made by government spokesman Daniyal Chaudhry that the force’s mandate would include the disarmament of Hamas.” The question to this angry man: If these forces are not for disarming the resistance, will these forces allow the resistance to carry out resistance operations against the Jews?! And will these forces supply the resistance with weapons and men to undertake the honor of Jihad and resistance, or will they prevent it and fight it as stipulated in Trump’s agreement, and as expected from the nature of the dirty role of these forces?! Khawaja’s failure to deny his willingness to participate in sending mercenary forces operating under the leadership of America and the Jews, and his reservations regarding the details, confirms that he will carry out the mission as Trump and the Jews desire and are satisfied with. His alleged anger is nothing but throwing dust in the eyes, diluting the regime’s treacherous stance, and shuffling the cards so that it becomes easier for them to pass this treason and participate in its dark chapters.

O Sincere Ones in the Pakistani Armed Forces!

If you are going to allow your forces to be sent to the Blessed Land of Palestine, then let them be mujahid armed forces of Pakistan to liberate the entirety of Palestine and cleanse Baytul Maqdis and its surroundings from the defilement of the Jews—and you, by Allah (swt) are capable of this if you were under a sincere leadership that raises the banner of Tawhid, not the banner of the United Nations that conspires against Islam and the Muslims. So seize the hands of your leadership that willingly follows Trump’s fingertips, overthrow them, and replace them with sincere commanders from among yourselves who will support Islam and the Muslims by giving their military support (nussrah) to Hizb ut Tahrir, which will establish the Khilafah Rashidah (Rightly-Guided Caliphate) on the Method of Prophethood in Pakistan—and which will mobilize armies and send them to the Blessed Land of Palestine, as liberators from the defilement of America and the Jews, and take revenge for more than seventy thousand martyrs who perished during the past two years.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتِلْتُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ إِلَّا تَنْفِرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوه شَيْئًا وَاللَّهُ عَلَى كُلِّ شَيْءٍ قَدِيرٌ﴾

“O you who have believed, what is the matter with you that, when you are told to go forth in the cause of Allah (swt), you adhere heavily to the earth? Are you satisfied with the life of this world rather than the Hereafter? But what is the enjoyment of worldly life compared to the Hereafter except a very little? If you do not go forth, He (swt) will punish you with a painful punishment and will replace you with another people, and you will not harm Him (swt) at all. And Allah (swt) is over all things competent.” [TMQ Surah At-Tawbah 9:38–39]
