Hizb ut Tahrir Wilayah Pakistan Condemns Hasina Wajid Arrests and Torture of Women Advocates of Khilafah is a Heinous Crime

Hizb ut Tahrir Wilayah of Pakistan held demonstrations across Pakistan against the government of Hasina Wajid in Bangladesh. Participants held banners and placards declaring, **“O Hasina Wajid! Your Shameful Detention of the Female Dawah Carriers of Islam will only Strengthen the Call for the Khilafah”** and **“O Hasina! Your downfall is inevitable and imminent .”**

Shaikh Hasina has fallen so low in obedience to her Western masters that even women are not spared from persecution. Having failed to face the men of **Hizb ut Tahrir**, the thugs of the regime have resorted to desperate and cowardly acts against sincere Muslim women. The shameless Detective Branch (DB) of Hasina government arrested two women on Sunday, 30 August 2015 and then took the dignified sisters for two days remand on Tuesday, 1 September, during which they were beaten severely. One of the sisters was beaten to the point that she bled from different parts of her body and became unconscious. In spite of this, the heartless officers of the DB took them to court on Friday 4 September, instead of a hospital for medical attention, and the judge then sent them to jail.

The campaign Hasina government is pursuing against this Deen and the sincere believers to please her Western imperial masters will come to no avail. She will soon witness it being crushed before her own very eyes with the imminent return of the Khilafah based upon the method of the Prophethood. Indeed, only a fool believes they can wage a war against Allah and be victorious.... Hizb ut Tahrir Wilayah Pakistan demand that Hasina government release our sisters immediately as well as all the innocent Muslims held in her dungeons and consider the humiliation of what happened to criminals like herself in this life and the painful punishment that awaits them in the Akhira.. **“سَيُصِيبُ الَّذِينَ أَجْرَمُوا صَغَارٌ عِنْدَ اللَّهِ وَعَذَابٌ شَدِيدٌ بِمَا كَانُوا يَمْكُرُونَ”** **“There will afflict those who committed crimes debasement before Allah and severe punishment for what they used to conspire.”** [Al-An'am: 124]
