Reject Slavery to Trump

Pakistan's Rulers Confirm that their Qibla is the White House, instead of the House of Allah (swt)

The Muslims of Pakistan witnessed in disgust the participation of the delegation from the Bajwa-Nawaz regime, including Pakistan's Prime Minister and ex-Pakistan Army Chief, General Raheel Sharif, in the Summit against Islamic Extremism on 21st May 2017. This summit was convened on the orders of the openly anti-Islam US President, Donald Trump who has spilled the blood of Muslims and supports India and Jewish entity in their brutal oppression. Raheel Sharif, who built an image for himself back in Pakistan as a "strongman," and Nawaz Sharif, who claims to represent the Muslims of Pakistan, sat shamelessly as their master lectured them on targeting Muslims within Pakistan who oppose the American Raj and who are working for the project of implementing Islam as a political authority: Pakistan's rulers listened attentively as their US puppet master demanded that, "...Muslim-majority countries must take the lead in combating radicalization...DRIVE THEM OUT of your places of worship. DRIVE THEM OUT of your communities. DRIVE THEM OUT of your holy land, and DRIVE THEM OUT OF THIS EARTH." Trump did not hide his malice against Islam, openly attacking it and demanding that rulers over Muslims fight this war against Islam on behalf of America. As Pakistan's rulers listened submissively, Trump declared, "Muslim nations must be willing to take on the burden.....That means honestly confronting the crisis of Islamist extremism and the Islamist terror groups it inspires."

What adds insult to injury was that as Trump attacked our Deen and demanded that rulers over Muslims openly align with America against their own people, Pakistan's rulers applauded him for his aggression against Islam and Muslims. Despite ruling over the world's only Muslim nuclear power and commanding the sixth largest army in the world, the Bajwa-Nawaz regime confirmed its willingness to respond to Washington's demands, caring not for the sentiments of their own people and not even attempting to hide their slavery to Trump. These shameless rulers knew well that the whole world and the Muslim Ummah watched this summit of treachery, where open allegiance was pledged to America for her war against Islam and Muslims. Abu Mas'ud narrated from Uqba ibn Amr al-Ansari that the Messenger of Allah (saw) said: «إِنْ لَمْ تَسْتَخْ فَاصْنَعْ مَا شِئْتَ» "If you feel no shame, then do as you wish" (Bukhari).

O Muslims of Pakistan! The Bajwa-Nawaz's regime collaboration in Trump's summit makes clear the root cause of our problem and how we must proceed to solve it. Our burden is the Bajwa-Nawaz regime that has aligned itself with our enemy, America, against us. As a loyal service to America, the Bajwa-Nawaz regime is willing to target anyone from amongst us who supports Islam. The regime persecutes any Muslim who supports Jihad against American occupation of Afghanistan and Indian occupation of Kashmir, who opposes democracy and Western values and strives for the implementation of Khilafah in Muslim lands and who demands an end to economic, political and military subjugation of Muslim lands. Instead of boycotting Trump's summit and withdrawing from Trump's 39 nation military coalition to fight Muslims in their own lands and pitch Muslim armies against their own people, the Bajwa-Nawaz regime threw its weight behind Trump's plans. Its support of Trump's summit has distinguished the Munafiqeen and the Momineen, the ones who stand with Islam and its people and the one who stands with Kufr and its people. So demand the removal of these treacherous rulers and join your efforts with that of Hizb ut Tahrir for the reestablishment of the Khilafah on the Method of Prophethood and the appointment of a righteous Khaleefah who will stand with Islam and its people and protect them from Kufr and its people.

O Sincere Officers of Pakistan's Armed Forces! There is no excuse left for the Bajwa-Nawaz regime and our situation is as clear as the sun in the sky. You possess the strength and power to decisively secure victory in this struggle of the Ummah with the West, where the Ummah stands on one side, and its rulers and the West stand on the other. Know that it is through your strength that these rulers are able to sit on their thrones. The Bajwa-Nawaz regime's commitment to America leaves no excuse for you to continue to remain in a state of inaction, when your rulers openly pledge allegiance to America and its projects against Islam and Muslims. Uproot these rulers, pull the carpet from under their thrones, provide Nussrah to Hizb ut Tahrir and pledge allegiance to an Imam who will be sincere with Islam and Muslims, ending any alliance and subservience to our enemies.

“O you who believe! Choose not My enemies who are your enemies as allies showing them affection even when they disbelieve in that truth that has come to you” [Surah Mumtahina 60:1]
