End Indian and US Presence to End Terrorism in Af-Pak Region It is Time for a Strong Khilafah Rashidah to Ensure Security and End Alliance with our Enemies

The military leadership in its meeting of 6 June 2017 failed to address the head of the snake of terrorism, the US and Indian presence, in the midst of a war of words with the Afghan regime, following a huge blast in Kabul on 31 May 2017. Instead, the military leadership assured the US puppet regime in Kabul of continued cooperation, whilst reproaching it for blaming Pakistan for recent terrorist attacks. The horrific Kabul bomb blast clearly only benefited the US as it put more pressure on the Pakistan Army to secure the US forces by fighting the tribal resistance. Moreover, it is an open secret that terrorism in the region is by the US's CIA and India's RAW to further our enemies' interests, as has been made clear by the Raymond Davis case, Kulbushan Jadhav confession and TTP spokesman confession.

US and Indian-led terrorism is exposed but what is also exposed is the Pakistan's leadership's refusal to cut the head of the snake of terrorism, which is the US and Indian presence. Worse, Pakistan's rulers' close ties to the US and "restraint" and "normalization" with India, strengthens our enemies' terrorist efforts. Today, Pakistan's alliance with the US holds open the doors for a vast US Raymond Davis terrorist network on our soil. Today, Pakistan's alliance with the US exploits our armed forces to secure the US military in Afghanistan, which in turn holds open the doors to India for its Kulbushan Jadhav network. Our suffering and immense losses, in terms of lives and property, are a direct consequence of the regime making alliance with our enemies, showing affection to them, extending them sanctuary and provisions within our country, providing them an upper hand over us by which to strike us. Allah (swt) said, ﴿إِنْ يَتَّقَوْكُمْ يَكُونُوا لَكُمْ أَعْدَاءً وَيَبْسُطُوا إِلَيْكُمْ أَيْدِيَهُمْ وَأَلْسِنَتُهُمْ بِالسُّوءِ وَوَدُّوا لَوْ تَكْفُرُونَ﴾ **“Should they gain the upper hand over you, they would behave to you as enemies, and stretch forth their hands and their tongues against you with evil, and they desire that you should disbelieve.”** [Surah Mumtahina 60:2]

As long as the US and Indian presence exists in our region, we will never see an end to destruction at the hands of our enemies. Our armed forces hold the physical capability to put matters straight according to the command of Allah (swt), within hours, had they a strong, sincere leadership. They can seal the US and Indian diplomatic missions, which are snake pits for assassins and bombing masterminds. They can expel all hostile operatives who are currently granted visas and open access. However, these matters will only be practically realized once our armed forces extend the Nussrah to Hizb ut Tahrir for the return of the Khilafah to these lands of Pakistan, the Pure, the Good.
