## Establish Khilafah to End the American Raj Despite Fiery Speeches, Pakistan's Rulers to Do Nothing Practically to End the US Presence

Pakistan's rulers are trying to quell the anger of the Muslims at the repeated demand to "do more" by Trump's Vice President, Mike Pence. The Director General of Inter Services Public Relations (ISPR), Major General Asif Ghafoor, said on 28 December 2017, "It is time Afghanistan and the US do more for Pakistan... We have fought an imposed and imported war twice in Pakistan and now we cannot do any more for anyone." Muslims are tired of fiery speech from the rulers, when it is time for practical actions to end the imposed and imported US presence. The US presence remains a threat to Pakistan and its nuclear assets, at a time that the US is expanding Indian regional hegemony to suppress the Muslims. Is it not upon the rulers to cut the supply line to the imported US troops that runs through Pakistan permanently? Is it not upon the rulers to expel the US private military and intelligence that orchestrated attacks on our armed force to impose their war on us? Is it not time to seal the US embassy and consulates, which function as intelligence gathering outposts for the US State Department? Is it not upon the rulers to urge the sincere tribal fighters to fight until they expel the crusaders decisively and firmly reject any talks to legitimize their presence on the door step of the world's only Muslim nuclear power?

**O Muslims of Pakistan!** Allah (swt) warned, **﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ الْمُؤْمِنِينَ أَبِئْتَعُونَ﴾** "Those who take disbelievers for allies instead of believers, do they seek honor, power and glory with them? Verily, then to Allah belongs all honor, power and glory." [Surah an-Nisa'a 4:139] It is no surprise that alliance with the Kuffar has brought us disgrace and destruction. It is also no surprise that seeing your anger, the current rulers attempt to quell your anger in order to prolong their practical alliance with their masters. Throw their deception back in their faces. Work to end the American Raj practically by striving with Hizb ut Tahrir for the re-establishment of the Khilafah (Caliphate) on the Method of the Prophethood. Nothing less will ever strengthen and unify the Ummah of the RasulAllah (saaw).

**O Muslims of Pakistan's Armed Forces!** Despairing from the criminal inaction of the rulers over Burma, Palestine and Kashmir, the Ummah awaits its heroes of the hour. Your capability is in doubted neither by the Ummah nor by its enemies. When you move in support of Islam and its Deen, in humble and complete submission to the commands of our Lord (swt), you will earn the Help of Allah (swt). Indeed, history has been made by the Muslim military commanders who wielded Help of Allah (swt) as their most powerful weapon, succeeding against their enemies despite overwhelming odds, from Khalid bin Waleed (ra), to Salahuddin and Muhammad bin Qasim. Walk now in the footsteps of the righteous military commanders, grant Nussrah for the establishment of the Khilafah and you will need no Helper other than Allah (swt), as you march towards dignity and victory. Allah (swt) said, **﴿إِنْ يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَنْصُرْكُمْ اللَّهُ فَلَا غَالِبَ لَكُمْ﴾** "If Allah helps you, none can overcome you; and if He forsakes you, who is there after Him that can help you? And in Allah (Alone) let believers put their trust." [Surah Aali-i-Imran 3:160]
