

Press Release

**Tear Up the Alliance with the US
Pakistan's Spineless Leadership Prostrates before Trump,
Despite Pakistan Army's Capabilities**

On Friday 12th January, the Inter Services Public Relations (ISPR) in its press release 19/2018 confirmed that General Bajwa received a telephone call from the US Commander of CENTCOM, General Votel in which General Bajwa said that Pakistan shall continue with its "sincere counterterrorism efforts." So, despite Trump's monumental insults of Pakistan, the commander of the world's sixth largest army solemnly confirmed his personal guarantee of Pakistan's commitment to America's war, which has unleashed chaos and destruction upon Pakistan. Thus, at a time when the Trump administration has been brought to its knees before small groups of poorly armed tribal Muslims in Afghanistan, forcing it to plead for talks with them, Pakistan's spineless leadership bends before the foolish tyrant, despite commanding an Islam loving army which is fully capable of delivering the US a blow within hours, that would expose its actual weight before the entire world.

O Muslims of Pakistan! Humiliation is the pathetic consequence of turning to the enemy states for power and strength, rather than Islam. Allah (swt) said, ﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِن دُونِ الْمُؤْمِنِينَ أُلِيبَتْ لَهُمُ الْعِزَّةُ فَإِنَّ الْعِزَّةَ لِلَّهِ جَمِيعًا﴾ "Those who take disbelievers for allies instead of believers, do they seek power with them? Verily, then to Allah belongs all power." [Surah an-Nisa'a 4:139] Pakistan's spineless leadership seeks strength through alliance with Kufr and its people, even though it is the sure path to our poverty and insecurity. Allah (swt) said, ﴿مَثَلُ الَّذِينَ اتَّخَذُوا مِن دُونِ اللَّهِ أَوْلِيَاءَ كَمَثَلِ الْعَنْكَبُوتِ اتَّخَذَتْ بَيْتًا وَإِنَّ أَوْهَنَ الْبُيُوتِ لَبَيْتُ الْعَنْكَبُوتِ لَوْ كَانُوا يَعْلَمُونَ﴾ "The example of those who take allies other than Allah is like that of the spider who takes a home. And indeed, the weakest of homes is the home of the spider, if they only knew." [Surah Al-Ankabut 29:41]. Anyone who has sought strength through the alliance of ruin is now lowly in the eyes of the Muslims, whether it is Musharraf, Kayani or Raheel Sharif. Had any one of them depended upon Islam, they would have earned the respect of this Ummah, delivering the arrogant US the response that the entire world, not the Muslim World alone, eagerly awaits.

O Muslims of Pakistan's Armed Forces!

Despite immense material capabilities, nuclear weapons, JF-17 warplanes and Shaheen 3 missiles and one of the best and bravest of all the world's armies, you are

subjected to humiliation, scorn and derision. This is only because you are deprived of a leadership that is strong through the implementation of Islam as a complete way of life. Worse, even though the Khilafah is on the agenda of every Western colonialist power, it is not even considered by your current leadership. Even worse, rather than making way for Hizb ut Tahrir to reach the rule, so that we are finally strengthened by Islam, your leadership unleashes tyranny upon it, chasing, seizing and torturing good men, who have warned you consistently since the time of Musharraf of the evil of alliance with the US. Good men, sincere to Islam, with full awareness of how to implement it, such as Naveed Butt who has remained hidden from the public and his family, since his abduction on 11 May 2012.

O Muslims of Pakistan's Armed Forces! It is time for you to give your Nusrah (Material Support) for the Khilafah (Caliphate) on the Method of the Prophethood. The weaknesses of the United States itself is as apparent to you as it is apparent to the Trump administration. Militarily, its own forces, whose lack of bravery cripples their possession of sophisticated weaponry, have been shaken by small, poorly armed tribal men in Afghanistan, forcing them to rely on you. Economically, the consuming greed of its elite has led to an immense and unsustainable concentration of wealth within a few, causing the collapsing of its economy. Politically, its standing and reputation is in tatters through its naked, violent pursuit of material resources abroad, inciting great hatred against it, not just within the Muslim World, but beyond it.

Moreover, when you move in support of Islam and its Deen, in humble and complete submission to the commands of our Lord (swt), you will earn the help of Allah (swt). Indeed, history has been made by the Muslim military commanders who wielded this help as their most powerful weapon, succeeding against their enemies despite overwhelming odds, from Khalid bin Waleed (ra), to Salahuddin and Muhammad bin Qasim. Walk now in the footsteps of the righteous military commanders, grant Nussrah for the establishment of the Khilafah and you will need no helper other than Allah (swt), as you march towards dignity and victory. Allah (swt) said, ﴿إِنْ يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذَلْكُمْ فَمَنْ ذَا الَّذِي يَنْصُرُكُمْ مِنْ بَعْدِهِ وَعَلَى اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ﴾ “If Allah helps you, none can overcome you; and if He forsakes you, who is there after Him that can help you? And in Allah (Alone) let believers put their trust.” [Surah Aali-i-Imran 3:160]
