## Reject Liar Rulers who Play Double Games with Us for the Sake of Foreign Masters

The Bajwa-Imran regime is now striving to secure the US military presence on the doorstep of the world's only Muslim nuclear power, whilst lying to us about its treacherous intent. The regime's Foreign Minister's visit to Kabul on 15 December 2018 is exclusively to work towards deal with the US puppet regime so that the disruptive US military is given a political cover to stay permanently. The announcement of the visit came within a week of US President Trump's letter to Imran Khan demanding Pakistan's facilitation in Afghanistan. The announcement comes only one day after General Joseph Dunford, the US Chairman of the Joint Chiefs of Staff, said on 7 December, "I have not recommended we leave," adding that "the presence that we have in Afghanistan has, in fact, disrupted the enemy's ability to reconstitute and pose a threat to us." There is no New (Naya) Pakistan because the American Raj in Pakistan is very much alive. The Bajwa-Imran regime is just like the previous regimes that have betrayed us by willingly serving foreign masters at the cost of our interests. Such slave rulers fully own the American policy, whilst playing a double game with our armed forces to counter deeply rooted anti-American, anti-Indian and pro-Islamic sentiments within our finest institution. So when America wanted war, such liar rulers said that it is our war in order to ensure the US had a continuous supply of hired guns in the region. However, now when a financially and militarily exhausted America is desperate to secure a deal to ensure its undisturbed permanent presence, they spring to life as hired facilitators of "peace."

RasulAllah (saaw) severely condemned the one in authority who lies to his own people, when he (saaw) said, «ثَلَاثَةٌ لَا يَكَلِّمُهُمُ اللَّهُ يَوْمَ الْقِيَامَةِ، وَلَا يَرْكَبُهُمْ، وَلَا يَنْظُرُ إِلَيْهِمْ، وَلَهُمْ عَذَابٌ أَلِيمٌ: شَيْخٌ زَانٍ، وَمَلِكٌ كَذَّابٌ، وَغَائِلٌ مُّسْتَكْبِرٌ» **There are three (types of) people whom Allah will neither speak to on the Day of Resurrection nor will He purify them (i.e., from their sins), nor will look upon them; and they will have a painful chastisement. These are: An old man who commits fornication; a king who is a great liar and a poor man who is proud.** [Muslim]. The continued US military presence in Afghanistan represents a grave threat to the Muslims of the region. It is an essential part of the US plan to counter China and the Muslims of the region, as well as supervise the growth of Indian regional hegemony. It is essential for India to maintain its presence within Afghanistan with US military presence as a support, so that the Khulbashan Yadev network continues to light the fires of chaos in Baluchistan and beyond. Yet, the liar rulers strive deceive us to achieve for ailing America that which it could never achieve for itself on the battlefield in the "graveyard of empires." Enough, O Muslims of Pakistan! End the era of liar rulers who play double games with their own people for the sake of foreign masters. Strive now to re-establish the Khilafah (Caliphate) on the Method of Prophethood so that we finally have rulers that are truthful to Allah (swt), RasulAllah (saaw) and the Believers.
