

Press Release

The Nablus Massacre, and the Heroism of its people, Exposes the Negligent, and Sends a Message to the Muslim Armies!

(Translated)

Five mujahideen were martyred, including one of the most prominent leaders of the Areen Al-Asoud (Lion's Den) group, Wadih al-Hawah, and more than 20 others were wounded by the bullets of the Jewish army. The injuries of five of them were described as serious, during the attack on the Old City of Nablus.

The Jewish entity's prime minister, Yair Lapid, said that the Palestinian president must control the field if he wants to stabilize his authority. Meanwhile, Palestinian Presidential Spokesman Nabil Abu Rudeineh said that Palestinian Authority's President Mahmoud Abbas issued his instructions to contact the American side immediately to stop the Jewish aggression on Nablus. The Palestinian Cabinet also called on the United Nations and international human rights organizations to intervene to stop the escalation of Jews in Nablus.

What is happening in Nablus confirms once again what the events have repeatedly confirmed with every aggression of the Jewish entity. It confirms the cowardice of this entity and its lack of steadfastness in front of semi-defense individuals, so what if it faced a massive army looking forward to martyrdom in the path of Allah, an army that loves death as these cowards love life?! It also confirms that the regimes in the Muslim countries are the ones that provide protection for its crimes, as they watch over its security, and they see and hear what crimes it commits and do not move a finger, but rather tighten its hands to commit more through their normalization and demarcation of borders and through their approval of its theft of the wealth of Muslims! It also confirms that the responsibility of the Ummah is jihad in the cause of Allah to liberate the Blessed Land, and that there is no solution except by liberating it, and that is only through the help of the Ummah's armies, not the United Nations nor America.

The attitude of the Palestine Authority is a weak position, for it is able to mobilize tens of thousands of its armed security elements to protect and defend people, and this is the job of the security services in the world, or is it only found to protect the Jewish entity and to pursue and arrest the mujahideen?!

The attitude of the head of the Palestinian Authority, who ordered to establish contacts with America to stop the aggression against the people of Palestine, is conspiracy, contempt and political naivety. America is the head of Kufr (infidelity) that

provides cover for the Jewish entity to commit its crimes, and it is the one that provides it with money, weapons and equipment to oppress the people of Palestine, and it is the one that gave the green light to Gantz and Lapid to kill the people of Palestine so that their pure blood would be an electoral card for them, so what sane person would seek protection from the burning fire?! Or is the Palestinian authority that arose by an international decision is only capable of prostrating itself at the doorstep of the White House and the United Nations?!

It is a major crime and high treason that appeals are directed to the Ummah's enemy America, the international community and hostile international institutions, and not directed to the Islamic Ummah and its armies, as it is the owner of the cause and the only one capable of ending it?!

Addressing the Ummah and its armies to move is the only way to push them to move, and moving the Ummah and its armies is the only way to save the people of Palestine, that is why the enemies and their tools fight this discourse and block it in the media, and the regimes do not call for it and the factions exclude it, even though it is the only and practical solution to the cause of Palestine!

O People of the Blessed Land: If you stay patient and adhere to your religion, Allah will make ease for you after hardship, and He will prepare for you soldiers who will liberate the path of your Prophet (saw), and enter the mosque as the conquerors entered it for the first time, so hold on to your religion and your Ummah and seek the help of the descendants of Khalid and Salah al-Din, and abandon the projects of the colonizers, and the end will be in your favor. Allah is your master, and there is no master for them.

﴿إِنْ يَنْصُرْكُمُ اللَّهُ فَلَا غَالِبَ لَكُمْ وَإِنْ يَخْذُلْكُمْ فَمَنْ ذَا الَّذِي يَنْصُرُكُمْ مِنْ بَعْدِهِ وَعَلَى اللَّهِ فَلْيَتَوَكَّلِ الْمُؤْمِنُونَ﴾

“If Allah helps you, none can defeat you. But if He denies you help, then who else can help you? So in Allah let the believers put their trust.” [Ali’ Imran 3:160]
