

Press Release

Congratulations to the Released Prisoners and their Families

(Translated)

The Media Office of Hizb ut Tahrir in the Blessed Land of Palestine extends its congratulations and blessings to the released prisoners and their families upon their release from the prisons of the oppressors.

While we ask Almighty Allah to relieve the distress of the remaining prisoners, we also pray that He alleviates the suffering of the oppressed and releases the detainees from the prisons of the Palestinian Authority, the tool and security arm of the Jews. We ask Him to free those detained in the prisons of tyrants in the oppressive regimes ruling over the Muslim lands.

We also pray to Allah to grant Al-Aqsa Mosque soldiers from the Ummah of Islam who will fight in the cause of Allah and purify it from the Jews, just as Salahuddin's soldiers purified it from the Crusaders. May the Blessed Land return to the authority of Muslims, safe and secure by the will of Allah.

May Allah unite the word of the Ummah of Muhammad (swt) under the rule of His Book and the banner of His Messenger (swt), in the shade of the Khilafah Rashidah (the rightly guided Caliphate) on the method of Prophethood. He is the Guardian of that and Capable of accomplishing it.
