The Jewish Entity Fears the Call of the People of Palestine for Their Ummah and Armies to Support Them, So It Persecutes their Elders and Men

(Translated)

The accursed Jewish entity has sentenced Sheikh Issam Ameira (Abu Abdullah) to thirty-four months in prison. He was arrested on October 12, 2023, just five days after the Al-Aqsa Flood Operation.

Sheikh Issam was arrested after delivering Hizb ut Tahrir's call to the armies of the Muslim Ummah from the Mehrab of Al-Aqsa Mosque, following the start of the Jewish aggression against Gaza. In his call, the Hizb urged the Ummah and its armies to support Gaza and liberate Palestine.

The prison sentence of Sheikh Issam adds to the sacrifices made by the people of Palestine—both the fighters and those carrying the Dawah. These sacrifices are insignificant compared to earning the pleasure of Allah, uniting the word of the Ummah under one Raya (banner) and one Dawlah (State), and liberating Palestine and every occupied land of the Muslims.

The sentencing of Sheikh Issam is evidence that the Jews sense the imminent danger in Hizb ut Tahrir's call for the armies to march towards the liberation of Palestine. They understand that responding to this call would mean their end, making this message hit them like bullets and rockets.

Hizb ut Tahrir's call for the armies to support the people of Palestine and to champion the cause of Allah by overthrowing oppressive regimes and establishing the Khilafah Rashidah (rightly guided Caliphate) upon their ruins will inevitably be answered by the Ummah and its armies. How could it not, when this call touches the heart of every believer and is sought by every sincere soul? The Khilafah Rashidah, on the method of the Prophethood, will be established, purifying the Blessed Land from the filth of the Jews—despite the will of America, the Jews, and their allies and followers.
