

Press Release

Jenin and Tulkarm Follow Gaza, Who Will Stand Up for the People of Palestine?!

(Translated)

Once again, the Jews return to surge out their hatred on the Jenin camp, blowing up a residential area. Their bulldozers destroyed a large number of homes in the Tulkarm camp. They are copying the images of destruction in Gaza, revealing their plot and deceit that they have prepared for the West Bank. We ask Allah (swt) to turn their plot back on them.

What will stop the Jews from committing their ugly crimes when they have killed, destroyed, burned, and starved in Gaza, and have not found anyone to stop them or punish them for their crimes?!

What prevents the Jews from destroying the Jenin camp, when they were preceded by an Authority (Palestinian Authority) that killed, demolished and arrested? In fact, the aggression of the Jews did not prevent them from arresting the people of the camp, chasing the mujahideen, and clearing the roads for explosive devices in front of the Jewish army so that it would not be harmed while killing the people of the country?!

What prevents the Jews from destroying the West Bank after Gaza when they found regimes that surrounded Palestine and were its hand, aid and support in destroying Gaza, killing its people, starving them and besieging them?!

What prevents them from abusing the people of the West Bank when they saw and heard the tyrant of America talking about displacing the people of Palestine to Jordan and Egypt and confirming that the rulers of the two countries will do it whether they like it or not?!

What will stop the Jews from committing aggression after aggression and oppression after oppression, when they have only heard words of condemnation, denunciation and complaint to the United Nations and the international community?

What will stop the Jews from killing after killing and demolition after demolition, when they have not seen a tank or plane from the armies of the Ummah of two billion moving in support of Gaza and the people of Palestine?!

What will prevent the Jews from working to displace the people of Palestine, when the Islamic Ummah has not toppled a single ruler who sided with the Jews and helped them prevail over the people of Palestine?!

What will deter the Jews from their transgression and tyranny, when the Islamic Ummah has not been able to send the armies out of their barracks to rescue their brothers and sisters or wipe away the tears of the orphans and widows?!

Muslims crying over the people of Palestine, praying for them, and even wishing to fight with them is only half of the position (required). The complete position will not be achieved except by removing those who let them down, helped in their oppression, and prevented the armies of the Ummah from supporting them. Indeed, half of the position (required) is a betrayal for which the Ummah will be asked about before the One, the Judge. The complete position is to help and give support (nusrah) to the people of belief.

The aggression of the Jews against the people of Palestine will not stop except with the call to Jihad (**Haya Ala Al-Jihad**), the call to Liberation. Nothing will stop it except the armies of the Islamic Ummah. The activation spark of this army will be a sincere movement from the Ummah towards the palaces to sweep those in them and towards the barracks to mobilize those in them, until there is a decisive battle between the Ummah and its enemy, so that the Masra (site of Isra') of the Prophet (saw) will return to its people, and the blessed land and those in it will be saved, and only then will the Muslims say that they have not failed Palestine and its people.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ اتَّقَلْتُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ﴾

“O believers! What is the matter with you that when you are asked to march forth in the cause of Allah, you cling firmly to ‘your’ land?¹ Do you prefer the life of this world over the Hereafter? The enjoyment of this worldly life is insignificant compared to that of the Hereafter” [At-Tawbah: 38]
