

Press Release

In Front of the Traitorous Regimes, Al-Aqsa Mosque is being Changed into a Holy Place for Jews!!

(Translated)

In full view of the Muslim rulers, Jews have been storming the Al-Aqsa Mosque compound, raid after raid, the latest of which was yesterday, Sunday, led by the enemy of Allah, Ben-Gvir and a number of Jewish extremists, in the largest-ever incursion into the mosque.

In full view of the King of Jordan, Sisi, Erdogan, and other rulers, Jews enter to desecrate Al-Aqsa Mosque on the anniversary of what they call the "Destruction of the Temple." Ben-Gvir declares that "Israel will strengthen its control over Jerusalem and the Temple Mount," and declares, on the day of their alleged destruction of their Temple, control over Al-Aqsa Mosque as a holy site for Jews.

In full view of the Ummah of Muhammad (saw), the traitorous regimes are content with issuing condemnation after condemnation and issuing flimsy, meaningless statements. What is the value of their statement, "Israel has no sovereignty over Al-Aqsa Mosque"? And what is the point of calling on the United Nations to intervene to stop the attacks and limit the entry of settlers? Even though the matter has gone beyond the attacks to practical steps to transform Al-Aqsa Mosque into a synagogue where their rituals are performed.

O Ummah of Muhammad (saw), O best Ummah brought forth for mankind:

These agent rulers provided cover for the Jews to destroy the Gaza Strip, kill its people, and starve it. Now they are providing cover for them to turn Al-Aqsa Mosque into a synagogue for their rituals and prayers. So, what are you going to do?

It has become as clear as the sun at noon that Al-Aqsa Mosque, al-Quds, and the blood of the people of the Blessed Land will only affect those who believe in Allah and His Messenger, and that only those who desire Allah, His Messenger, and the Hereafter will be moved by them, and that only those who make servitude to Allah the goal of their existence can be relied upon to support them.

Only those who have believed in Allah Almighty from this Ummah remain, so that they may be **tools for demolishing the treacherous thrones and hands for building the edifice of Islam:**

They are tools of destruction for regimes that have only mastered conspiracy, betrayal, and issuing statements of condemnation. They have torn the Ummah apart and prevented it from supporting Gaza and Al-Aqsa Mosque.

The pickaxes of construction are building the edifice of Islam, uniting the Ummah and mobilizing armies to liberate Al-Aqsa Mosque and the blessed land, and supporting the people of Gaza. The liberation of the Quds depends on the removal of the client regimes so that the Islamic Ummah can take control of its decision-making process. Any call that fails to do so is merely throwing dust in the eyes and delaying liberation and victory.

﴿فَإِذَا جَاءَ وَعْدُ الْآخِرَةِ لِيَسُوءُوا وُجُوهَكُمْ وَلِيَدْخُلُوا الْمَسْجِدَ كَمَا دَخَلُوهُ أَوَّلَ مَرَّةٍ وَلِيُتَبِّرُوا مَا عَلَوْا تَتْبِيرًا﴾

"And when the second warning would come to pass, your enemies would 'be left to' totally disgrace you and enter that place of worship as they entered it the first time, and utterly destroy whatever would fall into their hands." [Al-Isra 17:7]
