(Translated)

We are delighted at the Media Office of Hizb ut Tahrir in the Blessed Land - Palestine to extend congratulations to the media and media workers, the people of Palestine and the Muslims in general upon the occasion of Eid ul-Fitr, asking the Almighty to complete for us the joy of Eid with the joy of victory, the liberation of Al-Aqsa and the establishment of the Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood, in which the glory and the dignity of Muslims.

O Muslims:

This is another Eid that passes by us, and Al Aqsa continues to languish under the yoke of the occupation. It continues to be desecrated, reduced from its borders, threatened by the excavations of the Jewish entity, and ravaged by the incursions of its soldiers and herds of settlers, and their assaults in the open day before the cameras, without moving the rulers who are trickling to hold summits to implement the colonial plans of America.

Rulers who argue with flimsy pretexts and meet for hollow empty reasons while leaving Al Aqsa up for grabs of the occupiers, and we wish it would stop at this point, but they are engaged in a new conspiracy that eliminates what remains of the issue of Palestine and integrates the Jewish entity deep into Muslim lands by means of shameful normalization and regional alliances that claim to stand in the way of the alleged Iranian danger.

O Muslims:

You have no choice but to move to overthrow these conniving puppet regimes, to establish the Khilafah (Caliphate) on the method of the Prophethood on its ruins, Khilafah that liberates the land and the sanctities, champions Islam and Muslims, and spreads justice and mercy in the world. so it pleases the inhabitants of the heavens and the inhabitants of Earth. For such a day, and for a day when the Takbeers of the Eid are combined with the Takbeers of victory, let the workers work.

May Allah accept your deeds in His Obedience

May you be well throughout the year
