## **Special Gratitude**

(Translated)

Hizb ut Tahrir in The Blessed Land of Palestine thanks the people of Dura in general and the family of Rajoub in particular for their keenness to contain any dispute in the city of Dura, and their endeavor to ensure that the mosques fulfill their mission of spreading the word of truth, enjoining the good and forbidding the evil.

The Hizb highly appreciates the position of the honorable Hajj Mahmoud Ahmed Abdullah Al-Rajoub (Abu Muhammad) and his honorable sons, for their hospitality, generosity and their eagerness to make the voice of truth heard, and it appreciates everyone who came to the home of Al-Rajoub family of notables and dignitaries their pursuit of good and their efforts for the sake of their religion and the status of their mosques.

These honorable positions, and that blessed move, reveal the authentic essence of the Ummah and its devotion to its religion, and that the Blessed Land is fine as long as there are honest and free men who are protective of their Deen and their Islam.

We ask Allah Almighty to hasten His victory for us, Khilafah Rashidah (rightly guided Caliphate) on the method of Prophethood, that will establish the Deen and carry it as a message of good to the worlds, and to bless us and you with His pleasure, Glory be to Him, and the companionship of His Messenger (saw).

Wa Assalamu Alaikum wa Rahmatullah wa Barakatahu
