**For the Fourth Week in a Row, the Activities of Hizb ut Tahrir Continue
To Commemorate the Centenary of the Demolition of the Khilafah**

(Translated)

In commemoration of the 100th anniversary of the demolition of the Khilafah on 28 Rajab 1342 AH, and a reminder to the Ummah of what has afflicted it, and on the occasion of the painful centenary of the demolition of the Khilafah, which by its demolition the rulings of the Lord of the Worlds in governance, politics, economics and so on became absent, the Muslim lands were torn apart, the Kaffir colonial West overpowered them, and our glory was lost, our dignity became in vain, our honor was violated, our wealth was plundered, our blood was shed, our lives were lost, so we became more unfortunate than the orphan seated at the table of the avaricious master. Therefore, as a reminder to the Ummah of its miserable condition, and an incentive for the true men to work for the sake of its return as a rightly guided on the method of prophethood, and with the generous guidance of the Ameer of Hizb ut Tahrir, the great scholar Ata bin Khalil Abu Al Rashtah, may Allah preserve him and protect him and bring victory on his hands, Hizb ut Tahrir / Wilayah of Sudan commemorates this memory during the month of Rajab al-Muharram 1442 AH, and the activities of the fourth week were as follows:

3- The members work continued in all regions of Sudan in distributing small posters that carry great meanings, as tens of thousands of them were distributed daily during the week to the owners of shops, institutions, cars and others, bearing phrases such as:

1. Allah (swt) promised us succession on Earth and empowerment of the Deen and security, and His Messenger (saw) gave us the glad-tidings of the return of the Khilafah on the method of Prophethood, which will fill the earth with justice that dispels the oppressive ruling that has exhausted humankind. «تَمَّ تَكُونُ خِلَافَةً عَلَىٰ مَنَاجِ النَّبُوَّةِ» **“Then there will be a Khilafah Rashidah on the method of Prophethood.”**

2. «إِنَّ اللَّهَ لَا يَغَيِّرُ مَا بِقَوْمٍ حَتَّىٰ يُغَيِّرُوا مَا بِأَنفُسِهِمْ» **“Verily never will Allah change the condition of a people until they change it themselves”** indeed, this is the Sunnah of Allah in change, so the Ummah must get rid of its weakness and dishonor by returning to the Book of Allah and the Sunnah of His Messenger (saw), and work with Hizb ut Tahrir to return the Khilafah.

3. Man is a transient to the Hereafter, and the Muslim's goal in this worldly life is the pleasure of Allah (swt), and this cannot be accomplished without full compliance with His commands and prohibitions, and this will not be fully achieved except in the shade of the State of Islam, so work for it to obtain the pleasure of Allah (swt).
