(Translated)

As part of Hizb ut Tahrir's meetings with the political forces in the country, a delegation from Hizb ut Tahrir/ Wilayah of Sudan headed by Ustadh Nasir Ridha, Chairman of the Central Communications Committee of Hizb ut Tahrir / Wilayah of Sudan, and the members Ustadh Abdullah Hussein - Committee Coordinator, Ustadh Abdul Qader Abdul Rahman - a member of the committee, met yesterday, Wednesday, 08/06/2022 with the leadership of the Future Movement for Reform and Development. The delegation was received by Dr. Naji Mustafa - Political Secretary, Ustadh Mohammad Hamdan Abu Anja - Executive Director, and Ustadh Musab Muhammad Othman - Secretary General of Wilayah of Khartoum.

Dr. Naji spoke about the formation of the Reform and Development Movement, the reasons and circumstances, since it was founded in the year 2019 CE after the sit-in of the General Command.

Ustadh Nasir Ridha also introduced Hizb ut Tahrir and its work to revive the Ummah after a deep study carried out by the party, that concluded that the problem the Islamic Ummah suffers from, which Sudan is part of it, is the absence of Islam in its state, the Khilafah Rashida (rightly-guided Caliphate) on the method of the Prophethood, and that the crisis lies in the application of the rules of Western capitalism in governance, economy and society, and others. This has brought us to this tragic situation in which the people of Sudan live.

This situation led to the coming of kaffir organizations from the United Nations, the African Union, and the IGAD, to intervene in the country's affairs and supervise the development of solutions to the problems and crises that the country is experiencing, which will only make them more complicated.

In conclusion, the delegation and the movement affirmed the continuation of meetings and visits to further crystallize the issues raised in the political arena.
