## Death on the Borders of Sykes-Picot Will Only Be Stopped by the Khilafah (Caliphate)

(Translated)

“The Egyptian army fires on smugglers’ cars carrying Sudanese,” this was the headline of a news item on the Sudan Tribune website on Friday, June 14, 2024, in which it reported the tragedy of Sudanese fleeing the war who are trying to enter Egypt. The news stated, “Egyptian border guards shot at the tires of cars driven by smugglers as they attempted to enter Egypt...” Sudanese and Egyptian media reported that the Egyptian security services arrested 7 buses loaded with Sudanese refugees over the past two days... The Sudanese News Agency said that the bad weather caused the death of dozens... and that the Sudanese Consul in Aswan, Abdul Qadir Abdullah, offered his condolences to the people of Sudan and the families of the deceased.

Those whom the Egyptian authorities call refugees coming to Egypt illegally, and the Sudanese authorities agree with them, have not committed a crime in order to receive this ill-treatment and have not violated a legal ruling for Egypt is their country, just like Sudan. They should be received with all open arms after they were displaced by the manufactured war. Originally, is that there are no borders between Egypt and Sudan, which was one country before the British and their agents separated Sudan from Egypt in the name of alleged independence, and then they repeated the same scenario in separating southern Sudan from its northern one. It is the policy of the Kafir (infidel) colonialist enemy, divide and rule, which it still uses to tear apart the torn parts of Muslim countries and fragment the fragmented ones.

The tragedy of the people of Sudan will not end, and even the tragedy of the Islamic Ummah, which is afflicted by the actions of its rulers in the destructive mini-states created by the colonialists and by them, that is, the rulers, to carry out the same function, which is tearing the country apart, displacing the people, preserving the Sykes-Picot stables, and transforming the brotherhood of Islam into the brotherhood of the soil and the homeland! These travesties will not stop and the death on the Sykes-Picot border will not stop except with the establishment of the Khilafah (Caliphate), which will abolish the borders between Muslim countries, so the passenger will travel from Jakarta to Tangier and from Tripoli in Ash-Sham to Khartoum, passing through all the cities and towns of the Islamic countries without a visa or passport.

So come, O people of Sudan, and indeed, O people of Islam, all of you, to work with the sincere people seeking to restore it as Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood, for it is the one in which there is your salvation, your glory, and the satisfaction of your Lord. ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾ “O believers! Respond to Allah and His Messenger when he calls you to that which gives you life.” [Al-Anfal 8:24]
