A Delegation from Hizb ut Tahrir / Wilayah Sudan Meets with the Head of the Adalah Party in Sudan (Translated)

A delegation from Hizb ut Tahrir / Wilayah Sudan, led by Ustadh Al-Nadhir Muhammad Hussein, member of the Council of Hizb ut Tahrir in Wilayah Sudan, accompanied by Engineer Banqa Hamid, and Ustadh Issam al-Din Abdul Qadir, members of Hizb ut Tahrir, visited Ustadh Al-Tijani Abdul Wahab, head of the Adalah Party in Sudan, at his home in the city of Al-Obeid, on Friday 05/09/2025, as part of the campaign organized by the Hizb to thwart the scheme of separating Darfur.

At the beginning of the meeting, the head of the delegation, Ustadh Al-Nadhir, said that the unity of the Ummah and the State is a vital issue, regarding which Islam commanded us to take the action of life or death, and the evidences for this in the Qur'an and Sunnah are many. It is known that America wants to divide Sudan into five small states, and it succeeded in separating the South, and now it seeks to separate Darfur with the same tools, by making its pampered child, the Rapid Support Forces (RSF), the strongest of Darfur's armed movements, in order to separate Darfur with its own men, not with the Europeans' men as it did before, by making its agent John Garang and his movement at the head of the rebel groups. Then it used the idea of dividing power and wealth on regional and racist bases, and the idea of the struggle of the center and the periphery, then removing the RSF from central Sudan and from the capital, to be stationed in Darfur, then forming a parallel government in Nyala. All these actions show the malicious scheme. Therefore, Hizb ut Tahrir launched a campaign to expose and thwart this scheme, by working with the vital forces and the Ummah, and this visit to you was part of that.

For his part, Ustadh Al-Tijani said: "I am pleased that you included me in this visit, and made me part of this great work, and you always carry the concerns of the Ummah and the country, and I am with you to thwart this scheme which is backed by the colonial states, and according to my following of the events I was aware that this war would ignite."

At the end, we thanked him for his warm reception and hospitality.
