(Translated)

A delegation from Hizb ut Tahrir / Wilayah Sudan, led by Ustadh Nasser Ridha, Head of the Central Communications Committee of Hizb ut Tahrir in Wilayah Sudan, accompanied by Ustadh Abdullah Ismail, member of the Communications Committee, visited Sheikh Onour Muhammad Ahmed, Director of the Khalawi and Mosques Administration in the city of Port Sudan, at his office, as part of the campaign organized by the Hizb to thwart the scheme of tearing Sudan apart by separating Darfur.

Ustadh Nasser spoke about what is happening now in Sudan at the hands of the kufr (disbelieving) West, especially America, which separated South Sudan, and now seeks to separate Darfur, then the next stage is East Sudan. This matter is among the pivotal issues, and among the vital issues, in which there is no leniency, and which requires from the imams of mosques, and from politicians, thinkers, army leaders, and the general people, to work seriously to thwart this scheme. Ust. Nasser cited several evidences confirming what he mentioned.

Sheikh Onour affirmed Nasser's words and said: "What is our role?" Ustadh Nasser explained to him what is required from the imams and preachers, and the Sheikh requested that the Hizb's program to thwart the entire scheme be sent to him.

The meeting was also attended by the Deputy Director of the office, Sheikh Lubab, member of the Scholars Authority of the Wilayah, and Sheikh Al-Tayeb Al-Shambali, Director of the Affairs of the Memorizers in the Red Sea State.
