Blessed Eid al-Adha Greetings

(Translated)

We are pleased, in Hizb ut Tahrir / Wilayah of Sudan, to congratulate the entire Islamic Ummah, and the people of Sudan in particular, on the arrival of blessed Eid al-Adha, asking Allah, the Most High, the All-Powerful, to return it again while the Ummah has become united under its unifying entity; the Khilafah Rashidah (Rightly Guided Caliphate) on the method of Prophethood, and has been liberated from the chains of servitude to the colonial disbelieving West, carrying the banner of change, so that mankind may be devoted in worship to the Lord of the worlds.

We congratulate you despite the continuation of the futile war that has destroyed crops and offspring, and turned people's lives into an unbearable hell!

This war, which has entered its fourth year, while America and its agents continue prolonging it, after America created a situation resembling the Libyan scenario, as preparation for separating Darfur from the body of Sudan. Through its agents, it created a parallel entity in Darfur; a government acting as though it were a state, in contrast to the government in the rest of Sudan. The drones of the Rapid Support Forces continue bombing unarmed innocent people in Khartoum, Omdurman, and other cities, spreading terror and fear in people's hearts in order to prepare them for completing the crime of separating Darfur.

Indeed, the duty upon all of us in this country afflicted by its rulers and some of its politicians is to be aware of this plot and to work to frustrate it, by joining hands with the sincere and aware ones, the shabab of Hizb ut Tahrir, for the resumption of the Islamic way of life through establishing the second Khilafah Rashidah on the method of Prophethood, which will cut off the hand of America and others from interfering in our lands. By Allah (swt), this is the honor of this world and the best reward of the Hereafter.

May Allah (swt) accept your acts of obedience, and every year may you be closer to Him (swt). Every year may you be well.

Allahu Akbar Allahu Akbar Allahu Akbar la ilaha illallah... Allahu Akbar Allahu Akbar wa lillahil hamd
