(Translated)

A delegation from Hizb ut Tahrir Wilayah Sudan, under the leadership of Nasser Ridha, Head of the Central Contacts Committee, accompanied by Abdullah Hussein and Abdel Qader Abdel Rahman, Ehab Alnakhly and Ali Siwar- members of Hizb ut Tahrir. The delegation visited Sheikh Abdullah Sheikh Hamd AlNeil (Azraq Taybah) Khalifat AlSijadah AlArkiyah Alqadiriya, and the leader of the Federal National Party, at his residence Teebah AlSheikh Abd AlBaqi in the state of Al-Jazeerah, in central Sudan. The meeting was attended by a group of politicians, where the conferees openly discussed the issue of National Dialogue as required by the US, with the purpose of the secularization of the country, tearing apart the rest of Sudan.

The meeting dealt with the disastrous situation which the country has reached; politically, economically and security, which has had a negative impact on people's livelihood. The meeting also touched upon the outgrowth of the Jazeerah project; due to the government's irresponsible policies, which led to the collapse of the giant project and especially the infrastructure, after the project was a pillar of the economy of Sudan, and now the government is seeking to privatize the project.

The delegation stressed that all that occurs, is a reflection of Western policies, and especially the US charts towards the country, and there is no way out of all these crises only by the return to the ideology of Islam, and establishing the project of the Ummah; the righteous Khilafah (Caliphate) upon the method of the Prophethood.

The delegation valued the strong stand of AlSheikh, which concerned the unity of the country, and cutting the root off the forces of global arrogance, and their clear interventions in the issues of Sudan. As they valued his stand of refusal to privatize the Jazeerah project, the delegation thanked him for his warm welcome and generous hospitality.
