**Under the Subservient Regimes**

**The Call for The Khilafah Became A Public Disturbance!!**

(Translated)

Brothers Mohamed Jami', Issa Baraka, Abdullah Yaqoub, and Muhammad Adam, members of Hizb ut Tahrir, were escorted by the security services to Al-Kalakla Al-Laffa police station, where a file under the Articles (69-77) of the Criminal Code was opened against them. The brothers were taken from a dialogue point organized by Hizb ut Tahrir/Wilayah of Sudan in Al-Kalakla Al-Laffa market, this is part of the party's campaign on the ninety-fifth anniversary of the destruction of the Khilafah, to remind the Ummah of the absent obligation, the crown of obligations; which by its absence the rules of the Lord of the Worlds are abandoned, and replaced by man-made laws, and the Ummah was lost. Thus the Dawah carriers are subject to arrest, imprisonment, and torture; and proclaiming the truth, and calling people to remove the sin from their necks, and to work with the workers to resume the Islamic way of life by establishing the righteous Khilafah on the method of Prophethood, this great work, the one who undertakes it is described as disrupting the public peace, and has committed the offense of public disturbance, according to the two complaints filed against the Dawah carriers, the members of Hizb ut Tahrir!!

The resounding success of the campaign carried out by Hizb ut Tahrir / Wilayah of Sudan during the month of Rajab, and the large turnout by the masses of the Ummah eager for the radical change on the basis of Islam under the shade of the righteous Khilafah state on the method of Prophethood, and coming soon, Allah willing, this has disturbed this regime. Based on the basis of non-Islam, the regime that begs for solutions to the problems of the country from the enemies of Islam, from the Kaffir Americans, and other enemies of the Ummah, May they be disappointed, and never see success.

The truth is clear, and falsehood will perish, and the Dawah carriers will be victorious soon, Allah willing, and the dawn of Khilafah will come, in spite of the unjust tyrants, and those behind and in front of them from the Kaffir colonists. And then those who have wronged will realize their fate.
