## Pride in the Sin Took Hold of them so they Removed the Banner of Al-Haq! Allah will Remove their Sovereignty Soon, Insha Allah

(Translated)

On Sunday, 06 Safar 1438 AH, corresponding to 06/11/2016 CE, we addressed the mayor of East Nile locality, that we in Hizb ut Tahrir / Wilayah Sudan intend to host an exhibition of Islamic books in the period from Saturday, 26 Safar 1438 AH, corresponding to 26/11/2016 CE, until Thursday, 02 Rabii' Al-Awal 1438 AH, corresponding to 01/12/2016 CE, in the triangle between Northeast Kuku police, and South of the Faculty of Veterinary Medicine (former Muzdalifah parking area). On Thursday, 16 Safar 1438 AH, corresponding to 16/11/2016 CE, an approval came to establish the exhibition, in a letter issued by the mayor office, signed by the Executive Director. Based on this approval the party convened its exhibition on the specified time.

On Monday morning, 28/11/2016, a group of security and intelligence services in the locality, attacked the exhibition, and took Brother Mohammed Zain, a member of Hizb ut Tahrir, to an unknown destination, he was then released at 11:00 at night. The security forces then returned once again on Tuesday morning, 29/11/2016, heavily armed, and tore out the exhibition tent and threw it to the ground, they even pulled down the banner of Rasulullah (saw), Rayat al-Uqab and his flag, Al-Liwa' to the ground, and those who removed the banner of the truth (al-Haq), Allah will remove their sovereignty soon, Insha Allah. They then dragged several members of the party who remain in custody as of writing of this statement.

This barbaric treatment is a clear indication that this regime and its apparatus, do not respect even their own decisions, so they revert and untwist today what they weaved and concluded yesterday. For how can they approve the establishment of the exhibition, then taking it away, terrorizing visitors to the exhibition, and arresting those who organize it?! The like of this does not happen anywhere in the world, but it is happening in our country of Sudan, which its rulers do not respect a covenant they gave nor a promise they made, and Allah Almighty says: ﴿وَأَوْفُوا بِالْعَهْدِ إِنَّ الْعَهْدَ كَانَ مَسْئُولًا﴾ **“And fulfill [every] commitment. Indeed, the commitment is ever [that about which one will be] questioned”** [Al-Isra: 34]

What is it that scares the regime of a book exhibition containing Islamic culture, in all aspects of life, political, economic, social, and other?! Unless, it does not want for the people to have the awareness of Islam and its provisions, so as not to demand their rights on the basis of Islam; for the regime has denied them these rights, eat up the nation's wealth unlawfully, and ruled it with the Western Kufr systems.

Let the regime and its security devices know, that what they have done of repelling from the path of Allah, prevention of the continuation of the Islamic book exhibition, and the arrest of the Shabab, will not hurt the party anything. For the Shabab of Hizb ut Tahrir are living among the people, in neighborhoods, villages and localities, and spreading awareness among the Ummah on the guidance of Islam. Thus, all what is found in these books; offered by Hizb ut Tahrir in its exhibitions, is carried by the Shabab of Hizb ut Tahrir for the people everywhere, such that the awareness and this Haq is spreading like air, so can they prevent air from spreading?! Nonetheless, this harms the regime, which used to raise the slogans of Islam, and then it became opposing Allah and His Messenger, explicitly, and drops the banner of the Messenger of Allah (saw), and those who oppose Allah and His Messenger, Allah will destroy them for He is Al-Qawii (the All-Strong) Al-Mateen (the Steadfast). ﴿وَيُحَقِّقُ اللَّهُ الْحَقَّ بِكَلِمَاتِهِ وَلَوْ كَرِهَ الْمُجْرِمُونَ﴾ **“And Allah will establish the truth by His words, even if the criminals dislike it.”** [Yunus: 82]
